Waiting List

After filling the seats (which may happen in the first counseling or the second), the institute will prepare a waiting list of about 25% of total seats. If any seat becomes available due to withdrawal of admission, the next candidate in the waiting list of the same category will be invited for admission in the order of merit. This invitation will be sent by email as well as phone and will be extended as seats become available. A candidate thus invited will have to take admission within 48 hours for Delhi, and within 4 days for outside Delhi, failing which the offer of admission will automatically stand cancelled and the seat will be offered to the next candidate. Fee refund dates will remain the same as above. The movement of waiting list will also be notified through the website.
