9)	Media Mention.....	23
10)	Faculty.....	24

1) Executive Summary

Since its creation in 2008 through an act of Delhi Government empowering it to do research and grant degrees, in six short years IIIT-Delhi has come a long way. We currently have over 1000 students in our B.Tech, M.Tech, and PhD programs, and continue to attract and retain high quality faculty – the single biggest challenge in academia in India. Our regular faculty strength has now crossed 40, all holding PhDs from prestigious institutions from across the world, mostly from US and Europe.

Research remains the key focus of the institute. Our faculty members and students have published over 100 papers in international journals and conference proceedings this year alone. Some of the papers have been acclaimed and have received Best Paper and Poster awards in prestigious National and International conferences. Many of our PhD students have been selected for prestigious research grants and fellowships such as the Prime Minister's Fellowship, IBM Fellowship, and TCS Fellowship. Four of our young faculty members are the proud recipients of the DST's Inspire fellowship, while another one has been honored with Adobe's Excellence in Research Award. This year 17 research proposals from our faculty were approved for funding by various agencies for a total commitment of over Rs. 3 crores.

In our R&D efforts, we remain committed to developing technologies that can be transferred for commercial exploitation or use by other organizations. This year over two dozen tools and technologies were transferred to over ten organizations. Three start-ups based on technologies and tools developed at IIIT-Delhi have emerged – one in the area of energy management, one in education, and one in social networking.

This year we also achieved a major milestone. We awarded our first two PhDs to Kuldeep and Himanshu Bhatt, thus graduating students in all three higher education degrees – Bachelor's, Master's and Doctorate in a short span of six years. Both received good reviews for their thesis, from the examiners who include some international experts. During the PhD, Kuldeep was awarded the prestigious Microsoft PhD fellowship, which is given to only five students every year in India, and Himanshu received the coveted IBM PhD fellowship. Both are now working in Xerox research.

To consolidate our research and make a stronger impact in targeted areas, our vision is to start research centers in focused areas. In January 2014, we opened our first Centre of Excellence in cyber security, aimed at imparting high-level education, technical training and research in this critical area which will help various stakeholders like the government, industry and general public. The center was inaugurated in January by Dr Gulshan Rai, Director General of CERT-In (Computer Emergency Response Team-India). Cyberspace management and cybersecurity have been identified by the PM as key emerging issues and core areas of focus. IIIT-D remains committed to engaging with science also as a problem solver and as a social good.

While our faculty members collaborate with colleagues across the world, we have also initiated some formal international collaborations. We have started a joint PhD program with Australia's Queensland University of Technology (QUT), signed a Memorandum of Understanding with the University of Nebraska-Lincoln (UNL) to facilitate academic collaboration between the two institutions, and inked a pact with the Graduate School of

Information Security (GSIS), Korea University, Seoul for joint projects, joint supervision of doctoral students, organizing joint academic and scientific activities etc.

Key Highlights (Infrastructure) :

- Phase I of the permanent campus of IIIT-D became operational in August 2012, with over 30,000 sqm of space, sufficient for about 1000 students and 50 faculty members.
- The proposal for Phase-II of the construction has been approved by the Delhi government, which will add another 60,000 sqm of building space to cater to a total of 2,500 students and 125 faculty members.

We continue to focus on effective resource utilization and have installed smart electricity meters which show energy usage in a dashboard. Other measures are also been taken for more efficient use of energy and water resources. Solar panels have been installed which help us in integrating renewable sources of energy to fulfill the energy requirements of the institute.

After the successful placement of the first two batches, the batch which has just graduated continued the tradition of a strong performance in placement. In a short span, and despite being a young institute the university is proud to attract companies like Google, Microsoft, Xerox Research, Amazon, Adobe, EMC, etc. Some other international companies have also recruited from IIIT-Delhi. By most measures for placement– highest domestic salary offered, the highest overseas package offered, percentage of students placed, mean and median offers – we compare favourably with the top institutions in the country. Almost 10% of the graduating BTech batch got fellowships for higher studies in top institutions in the world – a very fine record.

Overall, we have had a very good year, and are well on our path of becoming a globally respected and recognised institute. Though many challenges remain, we are confident of addressing them in the coming years with the support of students, faculty, administration, and other well wishers.

2) About Us

2.1 Establishment / History

Indraprastha Institute of Information Technology, Delhi (IIIT-Delhi or IIIT-D) as it is now popularly known as, was created as a State University by an act of Delhi Government (The IIIT Delhi Act, 2007) empowering it to do research and development and grant degrees. IIIT-Delhi was officially established on April, 2008 and started its academic programs the same year. The institute began with its first batch of 60 B.Tech students in 2008. Since then, it has come a long way with nearly 40 faculties specializing in diverse areas of Computer Science and Electronics & Communications Engineering, and more than 500 students in B.Tech, M.Tech and Ph.D. In a relatively short time, it has earned a good reputation in India and abroad for being a center of quality education and research in IT and allied areas.

Indraprastha Institute of Information Technology Delhi is an Institute of higher education, with a strong focus on Education as well as Research and Development. It is an autonomous Institute, with the Board (current Chairman: Mr. Kiran Karnik, who is ex-President, Nasscom) fully empowered to take all important decisions, including student intake and fee structure. The Board is supported by the Academic Senate of the Institute, which is empowered to make all academic policies, and which advises the Board on starting new academic programs.

2.2 Our Mission & Vision

The Institute's stated mission is to be a global centre of excellence in Information Technology education, training and research. Its twin aims are:

- To carry out advanced research and development in information and software technologies, and in leveraging IT in specific domain areas.
- To train and educate, at both undergraduate and postgraduate levels, engineers of outstanding ability who can become innovators and new product creators.

The vision of the Institute is to be a world-class R&D-led institute of higher education in IT and allied areas which:

- Is globally respected for research and education
- Offers relevant, contemporary & holistic UG and PG programs
- Is linked globally, Industry-facing, socially relevant

2.3 Campus

The Institute's permanent campus in Okhla became operational in August 2012, before which it was functioning from NSIT, Dwarka. Phase-I of construction of IIIT-D's permanent campus saw:

- utilization of 30,000 sqm of building space for its functioning, including
- A Faculty and Research block for 50 faculty members
- Eight research centres

- Three big lecture halls with a total capacity of 500,
- Two lecture halls can accommodate a total of 120 students
- Five smaller ones with an overall capacity of 150
- Recreation centre
- Boys' hostel
- Girls' hostel along with playing areas; and
- Service block

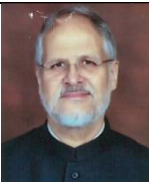

The proposal for Phase-II of the construction has been approved by the Delhi government, which will add another 60,000 sqm of building space to cater to 2,500 students and 125 faculty members.

With energy conservation at its core, smart electricity meters have been installed at the buildings in the campus to study the power consumption pattern so that attention can be paid to saving electricity and utilizing it in a proper manner.

IIIT-D has a world class, campus-wide state of the art information technology tools that are designed to meet the computing and communication needs of the institute. It is equipped with a fast, reliable and rugged computer network of more than 500 Nodes. The institute has issued more than 100 laptops to its faculty, staff and Ph.D. students. In order to facilitate proper teaching aid, all classrooms here are equipped with multimedia capability including projectors and audio systems.

All the hostels, faculty blocks, administrative block, library, classrooms and residences, are connected through a redundant 10 gigabit fibre backbone network. All the blocks are connected through layer 2 & 3 switches to provide 1Gbps connectivity at the user end. Every hostel room has a dedicated LAN connection to provide round the clock access to e-resources on the net. A wireless network with 92 access points has also been enabled in the faculty block, library, classrooms and hostels.

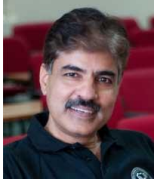

2.4 Chancellor and General Counsel

	<p>Sh. Najeeb Jung Hon'ble Chancellor of the University</p>	<p>Other Members: Sh. Kiran Karnik, Chairman, Board Dr. Avinash Chander Sh. A Mohan Dr. Rajiv Sharma Sh. R Chandrashekhar Sh. R. K. Verma Sh. T Ramasami</p>
---	---	---

2.5 Board of Governors

	<p>Sh. Kiran Karnik, Chairman, Board</p>	<p>Other Members: Sh. Ajai Chowdhry Sh. Arun Seth Sh. S. Mahalingam Prof. Narendra Ahuja Prof. Pankaj Jalote, Director Sh. Pramath Raj Sinha Sh. R. K. Verma Sh. M. M. Kutty</p>
---	--	---

2.6 Administration

 Prof. Pankaj Jalote Director & Professor	 Dean Academic Affairs	 Dean Student Affairs	 Associated Dean (IRD)
 Sh. Arun Verma General Manager (Operations)	 Sh. Sanjay Roy Chief Engineer	 Sh. Kapil Chawla Controller of Finance	 Sh. Ashwani Kansal Registrar

2.7 Infrastructure

Indraprastha Institute of Information Technology was set up by an act of the Delhi government, 2007. It endowed the establishment and incorporation of a non-affiliating and teaching institute in Delhi to facilitate and promote studies, research, incubation and extension work in Information Technology and its application domains, and also to achieve excellence in these and connected fields.

With the above objectives in view, the Government of NCT of Delhi allocated 25 acres of land in the GB Pant Polytechnic Campus to enable the setting up of the IIIT-D permanent campus, which is located behind the Govindpuri Metro station in Phase III of the Okhla Industrial Estate.

Way Forward: Phase II Construction

The IIIT-D campus that is spread out over the sloppy terrain in Okhla phase-III has been planned to be constructed in three phases. The proposal for Phase-II for construction of another 60,000 sqm of building space to cater to the requirements of 2,500 students and 125 faculty members has received the approval of the Government of the National Capital Territory of Delhi. The Architects have been appointed for the purpose and plans submitted to local authorities for approval. The Project Management Consultants are also being hired, and the on-site construction would commence soon after we get all the clearances. The construction of the core academic area is expected to be completed and put to use in the academic session of 2016.

Earlier, the first phase of the construction covered an area of 32,500 sq m consisting of an Academic R & D block, a lecture hall block, a Library-cum-Information Centre building, a Dining Block, a Boys Hostel, a Girls Hostel, Faculty Residences, Service Block, 2 STPs and guard rooms.

3) Education

3.1 Current Academic Programmes

The institute offers undergraduate programs in two main areas leading to B.Tech degrees in CSE and ECE, M.Tech in general and specialized M.Tech. degrees in Mobile Computing, Information Security, Data Engineering, and VLSI & Embedded Systems and Communication and Signal Processing, as well as doctoral programs in IT and allied areas. The primary objective is to impart specialized trainings on the latest technological advancements in CSE and ECE domains.

3.2 Student intake and total student strength

Details of Students Admitted/Passed/Existing								
Programme	Specialization	Batch	Admitted	Passed	Existing	No. of students presently on Roll	Male	Female
B.Tech	CSE	2010	100	81	04		60	25
	CSE	2011	120		112		87	25
	CSE	2012	120		132		79	53
	ECE	2012	51		39		32	7
	CSE	2013	124		121		90	31
	ECE	2013	47		43		36	7
	CSE	2014	124		124		107	17
	ECE	2014	48		48		44	4
Total No. of B.Tech Students on Roll:						623	535	165
M.Tech	CSE	2012	62	45	15		32	28
	ECE	2012	20	18	01		14	5
	CSE	2013	78		72		31	41
	ECE	2013	31		29		13	16
	CSE	2014	55		55		30	25
	ECE	2014	39		39		16	23
Total No. of M.Tech Students on Roll:						211	136	138
PhD	CSE	2009	6	2	4		6	0
	CSE	2010	7		7		5	2
	CSE	2011	10		10		5	5
	CSE	2012	17		16		8	8
	ECE	2012	5		2		2	
	CSE	2013	22		18		8	10
	ECE	2013	11		9		7	2
	CSE	2014	8		8		6	2
	ECE	2014	12		12		10	2
Total No. of PhD Students on Roll:						86	57	31
Total No. of Students on Roll:						920	728	338

Average class XII Maths score for the new B.Tech batch 2013 : 94.36
 Average class XII total score for the new B.Tech batch 2013 : 91.48

3.3 Students Graduated

The Institute conducted its 2nd convocation on August 25, 2013, at its campus in Okhla. A total of 52 B.Tech and 33 M.Tech degrees were awarded at the event in the presence of Chief Guest, Prof. Dinesh Singh, Vice Chancellor of Delhi University; Shri Kiran Karnik, the Chairman of the institute's Board of Governors; and Prof Pankaj Jalote, the Director of the IIIT-D.

Figure 1 *Graduating Students along with faculty members on Convocation day (25.8.2013)*

Overall graduation data:

	Upto 2012	Previous Year	Current Year	Total Passed till now	CGPA			No. of students graduated with Honors
					8-10	6-<8	<6	
BTech(CSE)	51	52	81	184	33	44	4	5
BTech(ECE)								
Mtech(CSE)	22	32	43	97	20	14		
Mtech(ECE)			18		15	3		
PhD					2			
Dual Degree			2		2	-		

3.4 Courses Taught

During the past year, a variety of courses were offered to students both at UG and PG level. Summary of courses:

	Monsoon Semester	Average Enrollment	Winter Semester	Average Enrollment
CSE	35	53.71	26	59.24
ECE	7	34.14	9	26.11
Others	18	58.33	20	59.4
Total	60	52.82	55	53.93

3.5 Scholarship and Assistantship to students

B.tech. Students

Batch	No. of students who got 25% waiver	No. of students who got 50% waiver
BTech 2010	5	0
BTech 2011	6	1
BTech 2012	0	1
BTech 2013	3	2

M.tech. Students

Fellowship Head	2014 Batch	2013 Batch	2012 Batch	2011 Batch	2010 Batch	Total
Gates Scholarship	53	50	50	50	50	15

Phd Students

Fellowship Head	2014 Batch	2013 Batch	2012 Batch	2011 Batch	2010 Batch	2009 Batch	Total
TCS		3	6	4	2		15
Prime Minister		1	1				2
UGC		1					1
Institute	16	14	5	2	2		39
Projects	2	7	2	1	2		14
Sponsored		1	3	2	1	2	9
In sixth year						2	2
Total No. of students	18	27	17	9	7	4	82

4) Research Development and Innovation

4.1 Academic Research & Publications

We continue to encourage our faculty and students to publish their work in top quality international avenues. The list of papers published/accepted last year is given below in this section – 30 in international journals, 81 in international referred conferences and 33 in International workshops. While this is the actual list, we have also obtained the publications data from Scopus and web-of-science for the period between 2009 and 2013. The detailed list of publications is given in **Appendix A**.

Year	No. of Publications	
	Scopus	Web-of-Science
2009	9	8
2010	29	13
2011	31	8
2012	54	29
2013	92	46
2014	17	8
Total	232	112

4.2 Technologies and Tools Developed and Deployed

The institute remains committed to developing technologies that can be transferred for commercial exploitation or use by other organizations. This year 33 technologies were developed which were transferred to 15 organizations /NGO's/ Community. Three start-ups based on technologies and tools developed at IIT-Delhi have been started – one in the area of energy management, one in education, and one in social networking. The list of technologies & tools developed & deployed is given as an **Appendix B**.

4.3 Patents

- United States Patent: 8489530 (July 16, 2013)
System and method for root cause analysis of the failure of a manufactured product
Assignee: Infosys Technologies Ltd
- United States Patent: 8468155 (June 18, 2013)
Collaborative filtering-based recommendations
Assignee: Infosys Technologies Ltd

4.4 Sponsored Research Projects

The summary of the projects approved last year by different funding agencies is given below:

Funding Agency	No. of Projects	Amount ('Lacs)
Department of Electronics & Information Technology	2	208.55
Media Lab Asia	1	128.60
Centre for Artificial Intelligence & Robotics (DRDO)	4	38.64
Scientific & Engineering Research Board (DST)	1	19.84
Max Planck Society, Germany (DST)	1	16.88
Department of Science & Technology (DST)	1	15.89
EMC Data Storage Systems India Pvt. Ltd.	1	9.60
National Thermal Power Corporation (NTPC)	1	9.00
Stanford University	1	7.91
Robert Bosch Engineering & Business Solutions Ltd	1	6.00
Adobe	1	5.00
Telecommunications Consultants India Ltd (TCIL)	2	5.00
Faculty Inspire Scheme – DST	1	35.00
VOX-FP & POL – United Kingdom	1	3.63
TOTAL	19	421.42

4.5 Incubation & Start Ups

Research and collaborative work at IIT Delhi has resulted in four start ups; which are all currently at early stages. Three student ventures have gone or about to go commercial. The IIT-D recognizes this as an opportunity to support innovation and social & technological entrepreneurship and is therefore working towards providing incubation facility. The three ventures are:

- Wiziters (anonymous social network): has attracted private investment but is not looking at incubation.
- Backpack (course management): wants to run out of campus – is close to commercialization.
- In-gage (in-store customer feedback & analytics): may be interested in incubation facility; has got 2 paying customers.

It is therefore proposed to set up a facility for student and/or faculty ventures now with institute resources and simultaneously initiate a tie up with DST and DEITY for support.

5) Outreach & Professional Services

5.1 Conferences/Short Courses/Workshops organized in IIITD

IIITD organized many conferences, seminars, workshops, short courses in the past academic year and some of these are highlighted below:

Sl. No	Title of the Project	Duration of the Workshop	No. of attendees
1.	Training on Using online social media for Intelligence Purpose	30 August, 2013	35
2.	Cyber security Education and Research Centre (CERC)	23 January, 2014	150
3.	Work Shop on HL7	26 - 28 Feb, 2014	10
4.	CERC Seminar Series. Inaugural Seminar. "The Future of Interaction & its Security Challenges" by Dr. Sundeep Oberoi, TCS	25 Mar, 2014	150
5.	Computational Biology workshop	5 April, 2014	10
6.	Innovate Delhi	1 st – 22 nd June, 2014	150

5.2 Participation of faculty in National & International Seminars & Invited Speakers

Our faculty members attended various National and International conferences and presented their research results, enhancing their academic and professional expertise. The detailed list is given in **Appendix C**.

- Papers published / accepted in International Conference - 45
- Workshop/Demos/Posters in International Conferences - 33

5.3 Distinguished Visitors & Invited Speakers

The aim of inviting distinguished visitors to IIIT-D is to provide opportunities to our faculty to strengthen collaborative research and enhance their visibility both in academia and industry. Many distinguished speakers from academia and the industry visited IIIT-D and this served as a venue for discussing research. Some of these distinguished visits are mentioned below:

- Dr. Utpal Bhattacharya, Indiana University: The Dark Side of Finance: (an overview of some of his research on financial markets and securities regulation) 5-Jul-13

- Dr. Ansuman Banerjee, ISI Kolkata: Counterexample ranking using mined invariants. 26-Jul-13
- Dr. Manik Varma, Microsoft Research India: Multi-Label Learning with Millions of Labels: Recommending Advertiser Bid Phrases for Web Pages. 8-Aug-13
- Prof. Subhashis Banerjee, IIT Delhi, Space-time super-resolution. 22-Aug-13
- Dr. Vijay Erramilli, Telefonica Research, Barcelona, Economic perspective to online privacy. 29-Aug-13
- Dr. Nalini Ratha, IBM Thomas J. Watson Research Center, NY: Privacy enhancement in Biometrics. 30-Aug-13
- Dr. Kishore Kothapalli IIIT Hyderabad, A Tale of Two Ruling Sets. 5-Sep-13
- Dr Ullas Nambiar, Lead Research Scientist & ACM Distinguished Speaker, EMC India COE, From Data to Decisions. 12-Sep-13
- Mr. Balkrishna Shetty, Ambassador of India (Retired): What is Mathematics? 19-Sep-13
- Dr. Santosh Srivastava, IBM IRL: System Immunology of T Cells. 3-Oct-13
- Mr. Anadish Pal, Independent Inventor: "Philosophy of science in India - would another renaissance originate from here?". 10-Oct-13
- Prof. M. Balakrishnan, IIT Delhi: Assistive Technology for the Visually Impaired. 17-Oct-13
- Dr. Swaprava Nath, ISI New Delhi: Mechanism Design for Strategic Crowdsourcing. 24-Oct-13
- Ms Usha Rangnani IPS Asst. Commissioner of Police: Safety of students. 9-Jan-2014
- Dr. Amit Sheth, Wright State University, USA: Transforming Big Data into Smart Data: Deriving Value via harnessing Volume, Variety, and Velocity using semantics and Semantic Web. 16-Jan-14
- Dr. Lipika Dey, Principal Scientist, TCS Innovation Labs: Signals and Sentiments from Text: New Age Enterprise Intelligence. 6-Feb-14
- Mr. Abhinav Chaturvedi and Mr. Akshay Damarla, Gradians Gradians.com, An Experiment in Qualitative Computer Aided Assessment. 13-Feb-14
- Dr. Subhadip Raychaudhuri, IIIT Delhi: How immune cells are activated and cancer cells get killed. 20-Feb-14
- Mr. Amit Sharma, Amitec Electronics Ltd: Software Defined Radio and Applications. 6-Mar-14

- Dr.-Ing. Jaleel Akhtar, IIT Kanpur: Microwave imaging and testing of materials and objects. 13-Mar-14
- Mr. Amit Saini, iCalibrator: Learning programming languages in a fully automated learning environment. 27-Mar-14
- Dr. Akhilesh Jain, Raja Ramanna Centre for Advanced Technology: High Power RF Amplifiers. 1-Apr-14
- Dr. Shweta Agrawal, IIT Delhi: The Good, The Bad, The Ugly. 3-Apr-14
- Prof. Don Gotterbarn: Application Oriented Computing, Computers & Society, Software Engineering. 9-Apr-14

5.4 Professional Services

Our faculty members attended various national and international conferences and were Chair and members of various committees in National & International Conferences. Most of the faculty members are part of Editorial Boards and are also reviewers of various National & International Journals. The list is given in **Appendix D**.

- | | | |
|--|---|----|
| • Members of Program Committee in various National & Intl conferences | - | 23 |
| • Members of Advisory Committee in various National & Intl conferences | - | 03 |
| • Chair & Co-Chair in various National & Intl conferences | - | 22 |
| • Editor of various Journals | - | 08 |
| • Reviewer of various Journals | - | 39 |

5.5 Internships @ IIIT Delhi

The internship program at IIIT-Delhi continues to grow. Through this program, we not only give opportunities to students from other Institutions to work in IIIT-Delhi, we also allow some of our students to continue some project/research. This program also helps strengthen our PhD intake. It is also a part of our outreach initiatives and aligns with the vision to have an open campus which allows and facilitates greater community engagement. We continue getting support from Microsoft through their Rx program for supporting the interns.

This year a total of 90 interns worked in IIIT-Delhi. Out of these 44 were IIIT-D students, and 46 were students from outside [main: DTU (2), NITs (6) and LMNIIT (6)]

5.6 Community Work

Community Work provides students a broader connect with society and the self. At IIIT Delhi, students are required to do a minimum 80 hours of Community Work. This activity teaches students about their rights, duties and responsibilities as citizens, and their ability to bring about meaningful change through advocacy and service. It enables students in applying skills and content knowledge to real needs in their local community. Students are encouraged to give back to society through compulsory community work credits. Almost every student is involved with various NGOs all over the country. The institute also has a Community Work Club called *Communitas - Opere*, which organizes blood donation camps and facilitates student partnerships with NGOs. The list of all the NGOs with whom students have worked is given in **Appendix E**.

Main areas of intervention are listed below:

SI No	Sector	No. of Students
1	Teaching	27
2	Promote rights of education	01
3	Data Collection, Entry and Case Study	15
4	Women Welfare	01
5	Old age home	03
6	Child rights	08
7	Under Privileged	02
8	Welfare of rural community	02
9	Community literacy programme	02
10	Blind Education & Training	01
11	Energy Consumption behavior	26
12	Handicapped Children	01
13	Fund collection for Orphanage	01
14	Others	16
	Total	106

6) Placements

B.Tech. 2014 Graduating Batch Placement Statistics:

- Number of B.Tech. students graduating in Year 2014: total 85 (80 from 2010 & 05 from 2009)
- Number of students registered with T&P (Training and Placement) Cell: 81
- Number of students who opted-out of placements (internship, dual-degree, higher-study): 5
- Number of students secured a job [Percentage Placed]: 69(69/76 =90.78%)
- Number of overseas offers: 16
- Number of India offers: 77 (Some students received multiple offers)
- Highest Salary (Overseas – off campus recruitment, one job offer): Rs 60 lakh per annum
- Highest Salary (Overseas – on campus recruitment, 16 job offers): Rs 33 Lakhs per annum
- Highest salary (India - 2 job offers): Rs 19.75 LPA (Lakhs Per Annum)
- Average salary (excluding overseas, average of 53 offers): 7.28 LPA
- Minimum Salary (4 offers): 3.4 LPA
- Number of job offers equal to or above 10 LPA (out of 53 Indian offers): 6
- Number of job offer >5L PA: ?
- Number of job offers equal to or < 5L PA (out of 53 Indian offers): 47
- Number of companies visited campus (or conducted campus recruitment drive): 56

M.Tech. (2014 Graduating Batch) Placement Statistics:

- Number of M.Tech. students graduating in May 2014: CSE-59 & ECE-17
- Number of students registered with T&P Cell: CSE-54 & ECE-17
- Number of students who opted out of placements due to confirmed plans of PhD: 0
- Number of students who opted-out of placements (internship, dual-degree, higher-study): CSE-15 & ECE-01
- Number of CSE students secured a job through T&P Cell [% Placed]: 39 (39 / 39 = 100%)
- Number of ECE students secured a job through T&P Cell [% Placed]: 07 (07 / 16 = 43.75%)
- Number of students unplaced = CSE - 0, ECE - 09
- Number of overseas offers: 07 CSE
- Number of India offers: CSE - 46 & ECE - 7
- Highest salary (overseas): 33 LPA
- Highest salary (India) (1 job offer): CSE - 20 LPA
- Average salary CSE (excluding overseas offers and taking average of 31 Indian offers): 7.48 LPA
- Average salary ECE (excluding overseas offers and taking average of 07 Indian offers): 7.78 LPA
- Minimum Salary (3 offers): 3.75 LPA

- Number of job offers equal to or above 10 LPA (out of 38 (CSE-31+ECE-7) Indian offers): 04
- Number of job offers equal to or above 3 LPA (out of 38 (CSE-31+ECE-7) Indian offers): 34
- Number of companies visited campus: 56

7) Awards & Recognition

Our faculty and students have received several coveted awards for their papers and posters. Many have also been granted prestigious research grants and fellowships such as the Prime Minister's Fellowship for Doctoral Research and IBM and TCS Fellowships. Four of our young faculty members are the proud recipients of the DST's Inspire fellowship, and one has been honored with Adobe's Excellence in Research Award.

7.1 Faculty

- Amarjeet Singh has joined the Board Member for HISP India Governing Council
- Amarjeet Singh invited to be part of India Eminent Speakers program conceived by ACM India
- Amarjeet Singh was Co-chair, Comsnets E6 workshop
- Donghoon Chang along with Sumesh Manjunath, Somitra Kr. Sanadhya received the best M.Tech Thesis award of IIIT-Delhi, August 2013 for "Provably Secure Authenticated Encryption Modes"
- Donghoon Chang has joined Editorial Board Member of the Journal of Platform Technology JPT
- Donghoon Chang was Guest Editor of Special Issue "Advanced Mathematical Cryptography for Next Generation " in Journal of Applied Mathematics
- Mohammad Hashmi was Associate Editor for the special edition of "International Journal of Microwave Science and Technology" published in May 2013.
- Mohammad Hashmi received the Best paper award at IMPACT 2013.
- Mayank Vatsa & Richa Singh received two Best Poster Awards at IEEE International Conference on BTAS, Washington DC, USA 2013
- Mayank Vatsa is Area Editor, Journal of Information Fusion, Elsevier, Feb 14 – Present
- Mayank Vatsa is Area Editor, IEEE Biometrics Compendium, January 2012 - Present
- Mayank Vatsa was Program Committee Co-Chair, and Richa Singh was Publications Co-Chair, in International Joint Conference on Biometrics, Tampa, USA, Sept 2014
- Mayank Vatsa was Program Committee Co-Chair, and Richa Singh was Sponsorship Chair in International Conference on Biometrics, Madrid, Spain, June 2013
- Richa Singh was Guest Editor, Special Issue on Fusion in Biometrics, Information Fusion, Elsevier, 2014
- Richa Singh was Editorial Board Member, Journal of Information Fusion, Elsevier, July 2011 - January 2014
- Richa Singh is Associate Editor, EURASIP International Journal of Image and Video Processing, Springer Open, November 2013 – Present
- Richa Singh is a member of IEEE Biometrics Council, Education Committee, January 2012–Present

- Richa Singh is a member of IEEE Biometrics Council, Conference Committee, October 2011–Present
- Publications Chair, International Conference on Biometrics: Theory, Applications and Systems, Washington DC, USA September 2013
- Area Chair, International Joint Conference on Biometrics, Tampa, USA, Oct, 2014
- Session Chair, Biometrics Workshop, CVPR June 2013
- Ponnurangam Kumaraguru received Adobe Research Excellence Award for 2013–16
- Ponnurangam Kumaraguru was selected as one of the 11 ACM Eminent Speakers from the country by ACM.
- Ponnurangam Kumaraguru received Best Poster Award for ‘Bitly can do better’ along with Gupta N and Aggarwal A at Security and Privacy Symposium 2014.
- The company spun out of Dr. P.K’s thesis Wombat Security Technologies () named as Top Tech Company to Watch in Pittsburgh; was Gold Winner of Information Security Product's Guide "Tomorrow's Technology Today" and Bronze Winner of Information Security Product's Guide "New Product Award"; was selected as a finalist for startup of the year for the Pittsburgh Technology Council's Tech 50 awards! In August 2013; and named 2013 Hot Company award winner by Network Products Guide.
- Pushpendra Singh developed “Trishulam”, the woman safety app, was nominated among the top 5 for South-Asia wide Manthan awards.
- Pushpendra Singh’s M-Voice, the integrated IVR services platform, was third among 400 applications for NASSCOM social innovation awards.
- Rahul Purandare received ACM Distinguished Paper Award for the ISSTA 2013.
- Vivek Bohara awarded 3rd prize for the poster “Fixed point indirect learning architecture for digital pre-distortion” in the research showcase 2014 at IIIT, Delhi

7.2 Students

- Venkatesh Vinayakrao (Ph.D) received PM Fellowship
- Rahul Mishra (Ph.D) received ABB Fellowship
- Parikshit Maini, Alvika Gautam, Megha Gupta, Monalisa Jena,
- Mohona Ghosh and Hemant Kumar Aggarwal (all Ph.D scholars) received TCS Fellowships
- Wazir Singh (Ph.D) received UGC Fellowship
- Ayatullah Maktoomi (Ph.D) received Best Paper Award at IMPACT 2013
- Anush Shankaran (Ph.D) received best poster Award at BTAS 2013
- Gaurav Goswami & Samarth Bhardwaj (Ph.D) received Best Poster Award at BTAS 2013
- Raghav Sethi (B.Tech) awarded Best all-rounder student. Joined Masters in Princeton on full Scholarship.
- Mayank Pundir (B.Tech) awarded Chancellor’s Gold Medal. Joined Masters in UIUC on full scholarship.
- Shilpa Garg (M.Tech) offered admission in PhD program at Cambridge Univ., MPI and other places. She has joined MPI.

8) Student Activities

8.1 Sports

Students of IIIT-D participated in several tournaments in Delhi and outside Delhi. They were participants in the LSR invitational tournament from 25-27 October, 2013 and emerged winner of the team trophy in Lawn Tennis. IIIT-D students also took part in Twaran Sports Fest at Gwalior & achieved positions in almost all sports. Our basketball boys' team came out as winner, while we were runners up in Tennis, girls' Volleyball and in football, besides claiming four medals in athletics. In addition, IIIT-D participated for the first time in the Sports fest organized by NSIT Dwarka in March 2014.

In order to engage maximum number of students in sports, the first IIIT-D intramural was organized from 6-13 March 2014 in which a total of 246 students participated in different sports. A significant initiative from student's side was the inter-IIIT-D football tournament known as 'Joga Bonito', which was organized by the sports coordinator with the participation of 32 teams.

There were many occasions when IIIT-D invited other college teams for friendly/practice matches, including those from G.B. Pant Engineering College, College of Vocational Studies, Kirori Mal College, etc.

8.2 Tech Fest – Esya

IIIT-Delhi organized its Tech Fest – Esya'14 on 22nd & 23rd Aug 2014, with an aim to build Esya as the platform for not only showcasing technical expertise and challenging the best in their fields but also at integrating technology with social causes. Esya is a journey, an adventure - *it is exploring Infinity and Beyond*. After four successful years that saw promising talents and immense reception, this year became bigger and better. Esya'14 broke all boundaries and 'explored the unexplored' in keeping with the essence of the name. The two day festival included a series of unique and challenging events to set abuzz the best brains in tech.. Esya '14 emerged as an unprecedented celebration of budding talent, technical excellence and innovative minds in CS and IT and saw participation from leading colleges.

8.3 Cultural Fest – Odyssey

IIIT Delhi organized its 1st Cultural Fest “Odyssey” a two day fest on 31st January and 1st February, 2014 consisting of events ranging from dance, music, theater ,art, literary and lifestyle. Adding to this, Euphoria, the popular indi music group performed at the festival on Nirvana Night on 1st February, permeating the campus with their earthy sounds, vibe and energy. The students worked hard as volunteers and participated with great energy and enthusiasm.

8.4 Research Showcase

IIIT Delhi organized “Research Showcase” an annual two-day event on 11th & 12th April 2014, to showcase to the world, the research and development efforts of the students of IIIT Delhi. IIIT Delhi is a research led organization and continuous efforts are made to carry out research and development in information and software technologies, and in leveraging IT in specific domain areas. This vision is reflected in the course structure and general outlook of the students, leading towards several innovative ideas, projects and prototypes. These posters and demos include some recent innovations by various research groups at IIIT-D including Emerging Architecture & System Design, Image Analysis & Biometrics, Information Management & Data Analytics, Mobile & Ubiquitous computing, Security & Privacy, Software Engineering & Theory as well as outstanding course projects undertaken by students as part of their curriculum.

Research Showcase is intended for faculty of other institutes, industry professionals, media, students, parents and other tech-savvy visitors. We invite students and esteemed faculty members from various technical institutes all over India. It also serves as an open house where prospective students, recruiters, faculty and parents are encouraged to come and explore the campus and engage with the students and staff at IIIT-D.

Research Showcase brings forth the scholarly work of students at IIIT-D. Exhibits of real-world applications were made and an open discussion was held. Giving an opportunity to draw critical insights, and be a part of creative and intellectual activities. Faculty, staff, business and industry leaders came together for a day of collaboration and developing a deeper understanding as to how research adds value to the community and society.

8.5 Student Clubs

Student clubs are the backbone of extra-curricular campus life. These clubs not only hone leadership skills but also help in instilling a team spirit and a sense of belonging. Several student clubs active in the institute enable students to enhance their talent in areas beyond academics. If some students want to pursue a hobby, they just need to find some like-minded people to start their own club. The entry and initiation barriers are kept low deliberately. To encourage more initiatives.

These clubs enable students to come together, share knowledge and mentor those looking to break into the field. IIIT-Delhi also has an Entrepreneurship Cell which nurtures budding entrepreneurs and supports promising start-ups.

Some of the clubs at IIIT-Delhi:

				
Astronomy	Music	Software Development	Community Work	Dramatics
				
Entrepreneurship	Programming	Dance	Paintings	Sightseeing & Delhi Heritage
				
Quizzing	Chess	Public Speaking, Writing, Reading	Game Development	

Other Clubs which have also been initiated are in the offing:

1. Adventure
2. Electronics
3. Design
4. Photography

9) IIT-D in the press: Spotlight

Our Institute's key developments made it to the media extensively, with its events like Research Showcase, Esya, Convocation and international workshop getting covered by various news outlets, along with articles on the innovative and interesting research work being carried out by its dedicated and focused faculty and equally talented students. Some of the prominent media organizations which have taken note of our achievements are The Times of India, The Hindustan Times, The Economic Times, Press Trust of India (PTI), Indo-Asian News Service (IANS) and Business Standard.

Overall, the Institute continues to perform well with a good quality faculty and students, and strong UG and PG programs. It is making all-out efforts and succeeding in realizing its vision of becoming a globally respected institution for high quality research and development in CS & IT.

10) Faculty

10 new faculty members have joined the Institute this year.

1. Dr. Saket Anand
2. Dr Subhadip Raychudhuri
3. Dr. Anubha Gupta
4. Dr. A V Subramanyam
5. Dr. Pravesh Biyani
6. Dr. Chetan Arora
7. Dr. Sambuddho Chakravarty
8. Dr. Ojaswa Sharma
9. Dr. Sachit Butail
10. Dr. Saptarshi Mukherjee

Full time Faculty:

Alexander Fell

(Assistant Professor)

Ph.D. (2012), Indian Institute of Science, Bangalore, India
Coarse Grain Reconfigurable Architectures (CGRAs), Network-on-Chip,
Embedded Systems, FPGAs
alex@iiitd.ac.in

Amarjeet Singh

(Assistant Professor)

Ph.D. (2009), Electrical Engineering, University of California, Los Angeles
Mobile Sensing, Approximation Algorithms, Environmental
Monitoring, Low Cost Technologies
amarjeet@iiitd.ac.in

Angshul Majumdar

(Assistant Professor)

Ph.D. (2012), Electrical & Computer Engg., University of British Columbia,
Canada. Compressed Sensing, Low-rank matrix recovery, Magnetic Resonance
Imaging, Color Imaging
angshul@iiitd.ac.in

Anubha Gupta

(Associate Professor)

Ph.D. (2006), Indian Institute of Technology-Delhi
Statistical Signal Processing, Biomedical Signal and Image Processing,
Wavelet Transform and its applications, Higher education policy and
Assessment
anubha@iiitd.ac.in

Apala Guha*(Assistant Professor)*

Ph.D. (2010), Computer Engineering, University of Virginia, Charlottesville, USA. Energy efficient architectures, exascale computing challenges, performance portability, compilers, programming languages.

apala@iiitd.ac.in

**Ashish Sureka***(Assistant Professor)*

Ph.D. (2005), Computer Science, North Carolina State University, USA
Data Mining, Text Mining, Natural Language Processing

ashish@iiitd.ac.in

**Ashwin Srinivasan***(Professor)*

Ph.D. (1991) Electrical Eng. and Computer Science, University of New South Wales, Sydney
Inductive Logic Programming, Machine Learning, Modelling Systems in Biology, Information Extraction from Text

ashwin@iiitd.ac.in

**Astrid Kiehn***(Associate Professor)*

Ph.D. (1989), Computer Science, Technische Universitat Munchen
Logic, Process Algebra, Concurrency Theory

astrid@iiitd.ac.in

**A V Subramanyam***(Assistant Professor)*

Ph.D. (2012), Computer Engineering, Nanyang Technological University, Singapore. Information Hiding, Image and Video Forensics

subramanyam@iiitd.ac.in

**Chetan Arora***(Assistant Professor)*

Ph.D. (2012), Indian Institute of Technology, Delhi
Computer Vision, Image Processing, Machine Learning

chetan@iiitd.ac.in

**Debajyoti Bera***(Assistant Professor)*

Ph.D. (2009), Computer Science, Boston University, USA
Quantum Computing, Complexity Theory, Cryptography

dbera@iiitd.ac.in

**Donghoon Chang***(Assistant Professor)*

Ph.D. (2008), Information Management and Security, Korea University, Korea
Theory and Practice of Cryptography, Cryptanalysis, Cyber Security

donghoon@iiitd.ac.in

H. B. Acharya

(Assistant Professor)

Ph.D. (2012), Computer Science, University of Texas (at Austin)
Distributed Systems and Networks, Concurrent and Parallel Computing,
Computational biology, Programming Languages
acharya@iiitd.ac.in

**Mayank Vatsa**

(Assistant Professor)

Ph.D. (2008), Computer Science, West Virginia University, USA
Biometrics, Computer Vision, Image Processing, Information Fusion
mayank@iiitd.ac.in

**Mohammad S. Hashmi**

(Assistant Professor)

Ph.D. (2009), Electronics Engineering, Cardiff University, UK
RF Measurements, PA Design and Linearization, RF Systems, Software
Defined Radio
mshashmi@iiitd.ac.in

**Ojaswa Sharma**

(Assistant Professor)

Ph.D. (2010), Mathematics and Computer Science, Technical University
of Denmark. Computer graphics (animation, rendering, and
GPU computing), computational geometry
ojaswa@iiitd.ac.in

**Pankaj Jalote**

(Professor & Director)

Ph.D. (1985), Computer Science, University of Illinois at Urbana Champaign,
USA. Software Engineering, Fault Tolerance, Distributed Systems
jalote@iiitd.ac.in

**P B Sujit**

(Assistant Professor)

Ph.D. (2006), Aerospace Engineering, Indian Institute of Science, Bangalore
Unmanned Vehicle (aerial, underwater, and surface), Multi-robot systems,
Guidance and Control
sujit@fe.up.pt

**Ponnurangam Kumaraguru**

(Assistant Professor)

Ph.D. (2009), Computer Science, Carnegie Mellon University, USA
Cyber Crime, Cyber/Information Security, Privacy, Human Computer
Interaction
pk@iiitd.ac.in

Pravesh Biyani*(Assistant Professor)*

Inspire Fellow Ph.D. (2012), ECE, IIT Delhi
Optimization for signal processing & communications
praveshb@iiitd.ac.in

**Pushendra Singh***(Associate Professor)*

Ph.D. (2004), Université de Rennes, France
Middleware, Mobile Computing
psingh@iiitd.ac.in

**Rahul Purandare***(Assistant Professor)*

Ph.D. (2011), Computer Science, University of Nebraska - Lincoln, USA
Software Engineering, Program Analysis, Runtime Verification,
Specification Mining, Automatic Program Repair
purandare@iiitd.ac.in

**Rajiv Raman***(Assistant Professor)*

Ph.D. (2007), Computer Science, University of Iowa, USA
Algorithms, Graphs, Combinatorial Optimization
rajiv@iiitd.ac.in

Richa Singh*(Assistant Professor)*

Ph.D. (2008), Computer Science, West Virginia University, USA
Biometrics, Machine Learning, Pattern Recognition
rsingh@iiitd.ac.in

**Sachit Butail***(Assistant Professor)*

Ph.D. (2012), Aerospace Engineering, University of Maryland, College Park
Collective Behavior, Pattern Recognition, Complex Systems, Robotics
sbutail@iiitd.ac.in

**Saket Anand***(Assistant Professor)*

PhD (2013), Electrical and Computer Engineering, Rutgers University, NJ, USA
Computer Vision, Image and Scene Understanding, Robust Statistical
Methods, Pattern Recognition, Machine Learning
anands@iiitd.ac.in

**Sandip Aine***(Assistant Professor)*

Ph.D. (2007), Indian Institute of Technology, Kharagpur
Artificial Intelligence, Combinatorial Optimization, Robotics, CAD for VLSI
sandip@iiitd.ac.in

Sanjit Krishnan Kaul

(Assistant Professor)

Ph.D. (2011), Electrical and Computer Engineering, Rutgers University, USA
Wireless Systems, Vehicular Networks, Delay Tolerant Networks,
Disaster Management, Intelligent Transportation
skkaul@iiitd.ac.in

Sambuddho Chakravarty

(Assistant Professor)

Ph.D. (2014), Columbia University, USA
Network Anonymity and Privacy, Network Surveillance and Anti-Censorship
and Network and Distributed Systems Security
sambuddho@iiitd.ac.in

Saptarshi Mukherjee

(Assistant Professor)

PhD (2011), Quantitative Economics, Indian Statistical Institute, Delhi
Mechanism design, Game theory, Bounded rationality, Choice
saptarshi@iiitd.ac.in

Shobha Sundar Ram

(Assistant Professor)

Ph.D. (2009), Electrical Engineering, University of Texas at Austin
Electromagnetic sensor conceptualization, model and design,
sensor circuit design and signal processing algorithms
shobha@iiitd.ac.in

Shreemoy Mishra

(Assistant Professor)

Ph.D. (2008) Economics, Operations Research & Industrial
Engineering, University of Texas at Austin, Economics of Information,
Consumer Privacy, Asymmetric Information in Credit and Insurance
Markets, Credit Scoring
shreemoy@iiitd.ac.in

Somitra Kr. Sanadhya

(Assistant Professor)

Ph.D. (2009), Computer Science, Indian Statistical Institute, Kolkata
Cryptography, Machine learning and Bioinformatics
somitra@iiitd.ac.in

Sriram K

(Assistant Professor)

Ph.D. (2004), Chemistry, IIT Madras
Systems biology, Cell division cycle, Circadian rhythms, Computational
cognitive neuroscience
sriramk@iiitd.ac.in

Subhadip Raychaudhuri

(Associate Professor)

Ph.D. (2002), University of Rochester, USA

Computational biology and biophysics, systems biology of cell death (apoptosis) signaling, immune-biology of B cell activation

subhadip@iiitd.ac.in

Sujay Deb

(Assistant Professor)

Ph.D. (2012), Washington State University

Multi-core processor architectures, Wireless Network-on-Chip,

Emerging interconnection technologies for multi-core chips

sdeb@iiitd.ac.in

Vikram Goyal

(Assistant Professor)

Ph.D. (2009), Computer Science and Engineering, IIT Delhi

Databases, Data Privacy and Security

vikram@iiitd.ac.in

Vinayak Naik

(Assistant Professor)

Ph.D. (2006), Computer Science and Engineering, Ohio State University, USA

Mobile Computing, Sensor Networks, Wireless Networks, and Systems

naik@iiitd.ac.in

Vivek Bohara

(Assistant Professor)

Ph.D. (2011), Electrical and Electronic Engineering,

Nanyang Technological University, Singapore

Wireless communication, Cognitive and Cooperative wireless networks,

Wideband Power amplifiers, Digital pre-distortion

vivek.b@iiitd.ac.in

Full Time Visiting Faculty

Arnab Bhattacharjee

Ph.D. (2011), Chemistry, Delhi University

Weizmann Institute of Science, Israel (postdoc)

Computational Biophysics of Protein folding, design, aggregation, protein-peptide / protein and protein-nucleic acid interactions

arnab.bhattacharjee@weizmann.ac.il

Hemant Kumar

Founder - Softek Ltd, VP at HCL Tech

B.Tech.(1977), IIT Kanpur

Software Development, Compilers, Databases, Inventory Management and Banking Software.

hemantk@ieee.org

Jyoti Sinha

Co-founder and Chief Technology Officer (CTO) at Omnipresent Robot Tech
MS (Computer Science) from Technical University of Munich (TUM),
Germany/ University of California Berkeley (UCB), USA
Multi-robot communication, Robotic coordination and scheduling,
ad hoc wireless networks, smart Medium access protocols
Jyotisinha@iiitd.ac.in

**Manohar Khushalani**

Former Director, Environment and Sociology,
the National Water Academy, Khadakwasla,
& Member Secretary, National Environmental
Monitoring Committee for River Valley Projects
Bachelor in Civil Engineering from BITS Pilani,
Courses on 3D Modelling and Finite Element analysis from IIT, Delhi
manohar@iiitd.ac.in

**Raj Ayyar**

Full time Assistant Professor, East Florida State University
Adjunct Faculty, West Valley College and Laney College
MA (Philosophy), St. Stephen's College, Delhi
MA (Philosophy), Southern Illinois University, USA
raj@iiitd.ac.in

**Samaresh Chatterji**

Ph.D. (1979), Mathematics, Wayne State University, Detroit,
Former Dean – Academic Programs, DA-IICT, Gandhinagar
Abstract Algebra, Graph Theory
samaresh@iiitd.ac.in

Technologies & Tools Developed / Deployed:

1. Software modules in IT and Health: Several software modules as listed below have been developed for HISP India as per the requirements of hospital level and district level systems being deployed by them in India and abroad:
 - a. SDMX Module: Developed a software module for HISP India which integrates their hospital level medical record system with district level health information system. This module is currently deployed across several (approx. 10) district hospitals in Himachal Pradesh and in some hospitals in Kenya.
 - b. OT Minor and OT Major modules: These are software modules developed for hospital-based medical record system and are currently being deployed by HISP India across district hospitals in Himachal Pradesh.
 - c. Food order module: It is developed as per the requirements stated by the district level information system being deployed in Bangladesh. These requirements were identified by HISP India and the developed module is passed on to them for deployment and use in Bangladesh.
2. Software modules in Building Energy Management: Several software modules have been developed for energy management on IIITD campus.
3. Software modules for field usage by other partners:
 - a. ODK-Extension – Developed a mobile based application that is used in Bihar and Andhra Pradesh to register the beneficiaries of National Rural Employment Guarantee Scheme (NREGS) and identify the errors in personal records as maintained by the government.
4. Sensing deployment in Bosch, Bangalore: 10 sensors, monitoring motion, temperature and light are installed at different locations in the new Bosch office at Bangalore. Data collected from these sensors is used internally by Bosch for their research purposes.
5. Design of a new Password based Key derivation function. It was submitted to the Password Hashing Competition. The Password Hashing Competition (PHC) is an effort organized to identify new password hashing schemes in order to improve on the state-of-the-art (PBKDF2, script, etc) and to encourage the use of strong password protection.
6. XMT-G: A compiler to enable coding in the simple parallel programming language XMT-C (C89 with two added instructions: spawn and ps, i.e. prefix-sum) for the CUDA platform.
7. Face Detection and Face Recognition CAPTCHAs, 2014 (IP Disclosure filed).
8. Face recognition tool: Technology transferred to DIT and currently used by user (law enforcement) agency after real world evaluations.
9. Five User agencies are using our system Twit-Digest <http://twitdigest.iiitd.edu.in/twit-digest--v3/> IIIT-D researchers are interacting closely with them, getting inputs, feedback, and helping them with training

10. Five User agencies are using our system MultiOSN.
<http://multiosn.iiitd.edu.in/multiosm-pr/>
11. One User agency is using our system Finding Nemo
<http://nemo.iiitd.edu.in/findingnemo/home/>
12. Backpack: Through Collaboration with Xerox Research Centre India, we were able to deploy Backpack for courses at IIT Guwahati, and at SVIT, Engineering College in Bengaluru.
13. Wizters.com: In last one year, in total, we have 1,900 user accounts, 8,689 posts have been shared on Wizters, 21,000+ interactions served, 11,700 logins to the system. Technology has already been transferred to a company in Delhi and they are looking at building a startup around it in US. Wizters selected as one of the "Top150 Startup" in the Pioneers Challenge <http://pioneers.io/>
14. Ingagelive.com: Deployed the system in two organizations -- One is a Retail Store, and the other one is in Hospitality Industry.
15. TweetCred: twitdigest.iiitd.edu.in/TweetCred/ -- a Chrome Browser plugin for analyzing credibility of tweets in Twitter, went live in the last week of April, and by 30th April, we had 1+Million tweets analyzed through TweetCred.
16. Fair Fare. A system to find the fare and directions through Auto, Bus, and Metro in Delhi.
<https://www.facebook.com/fairfareapp>
17. OCEAN Open-source Collation of eGovernment data And Networks.
precog.iiitd.edu.in/research/ocean A system where you can search for any citizen in Delhi and the system will return information like Drivers' License number, PAN card details, etc.
18. Elections portal. <http://bheem.iiitd.edu.in/India> -- a system to analyze tweets in the context of general elections in India.
19. Software for online course-feedback system was developed. This new system is now used in IIIT-Delhi for taking course feedbacks.
20. Software for managing placement of students for IIIT-Delhi. The software was developed from scratch to replace the commercial system that was used by Placement cell.
21. 181 helpline: Several new features have been added and in last one year, the system was down only for two hours.
22. Trishulam: A woman safety app was developed on android platform and deployed. It was nominated among the top 5 for South Asia wide Manthan Award.
23. M-Voice: An integrated platform for providing IVR Systems and messaging services has been developed and deployed in different contexts. M-Voice was third among 400 entries for NASSCOM social innovation technology contest.

a. Deployment of M-Voice at JJ Hospital, Mumbai for interviewing CVD patients. We are working with Dr. Bhanu Duggal of JJ Hospital in developing mobile based intervention schemes for CVD patients.

b. M-Voice deployment for NREGS projects: In collaboration with Liberation Technologies Group of Stanford University, we have deployed our IVR system, named MVoice, in several locations at Andhra Pradesh, India. The IVR system provides vital information about NREGS (National Rural Employment Guarantee Scheme) projects to **less literate** people over voice interface. Multiple deployments cover different villages in the Ghattu region of Andhra Pradesh.

24. A Framework to seamlessly integrate multiple planners and yet guarantee consistency and quality of planning.

25. Cross-domain cluster ability evaluation for cross-guided data clustering based on alignment between data domains.

26. Extension of open source software SESC (a cycle accurate processor architecture simulator) is developed and shared with the community.

27. Complete PoC is developed for the DRDO project on Differential Power Attack on Smart card. The project has two main components: hardware design (including an FPGA board, interfacing hardware with DSO) and the software development (include communication with DSO and algorithm development on FPGA and Smart card). Both hardware and software components are developed and the complete solution is delivered to SAG, DRDO.

28. Webserver, Android app, Windows PC app, and Windows Phone app for BackPack

29. WiFi Share Android app: 50,000"installations

30. Developed a low cost multi-signal data acquisition system for preventive cardiology

31. Autonomous flying of quad-rotor using vision

32. Autonomous cars - 4

Participation of faculty in National & International Seminars & Invited Speakers:

1. Alexander Fell

Network on Chip Implementations in Bluespec, IISc Bangalore, 26th to 30th September 2013

2. Amarjeet Singh

- a. Invited as external speaker for the CDAC Chennai one day workshop on "Building Energy Efficiency"
- b. Invited speaker - i5Talks organized by Mahindra Satyam
- c. Invited talk on Building Energy Efficiency at IBM Research, IISc, Bosch and EMC (June 2013) and at IGDTUW (July, 2013)

3. Angshul Majumdar

- a. Invited talk at "Recommender Systems" - Bengal Engineering and Science University, March 2014.
- b. Invited talk at "Mathematical Modeling in MRI Reconstruction" – Tehran University of Medical Sciences, September 2013.
- c. Invited talk at "Compressed Sensing and its applications in Biomedical Engineering" – Workshop on Signal Processing and Communications at Bengal Engineering and Science University, August 2013.

4. Ashwin Srinivasan

- a. Invited lectures at the University of Goa and the South Asian University.

5. A V Subramanyam

- a. Invited talk by Estonian Embassy in New Delhi on Cyber Security and its business significance. Date: Feb 06, 2014

6. Donghoon Chang

- a. Invited talk at "Multiparty Computation", Korea University, Korea, May 6 2014
- b. Invited talk at "Homomorphic Encryption", Korea University, Korea, May 7 2014
- c. Invited talk at "Public Encryptions" Seoul Nation University of Science and Technology, Korea, May 12
- d. Invited Talk to TCS Innovation Day - The Centre for Internet & Society, 29 January 2014. Title was "Midgame Attacks, Security, Privacy".

7. H. B. Acharya

Short course on Network Security, CONCYTEC, Lima, Peru. Summer 2014.

8. Mohammad Hashmi

- a. Invited talk at Multi-band and Multi-mode Transceiver, AMU Aligarh, 22nd July 2013.
- b. Invited talk at Nonlinear RF Measurement Techniques, IIT Patna, 8th October 2013.
- c. Invited talk at Experimental Setup for High Power Amplifier Design, RRCAT, Indore, 21st December 2013.

- d. Invited talk at High Efficiency Amplifier and Digital Predistortion, Freescale Semiconductors, Noida, 14th March 2014.
- e. Invited talk at Reconfigurable Transmitter, Jamia Millia Islamia, New Delhi, 28th April 2014.

9. Mayank Vatsa

- a. Biometrics at IAB@IIITD, seminar at University of Houston, June 2013
- b. Fingerprint and Iris Recognition, seminar at TCS Innovation Labs, October 2013

Other visits:

Visiting Researcher, University of Houston, June – July 2013 (two weeks).

10. Ponnurangam Kumaraguru

- a. Invited talk. Privacy and Security in Online Social Media. IBM Winter School. Organized at IIITD: 18 Oct 2013
- b. Invited talk. Privacy and Security in Online Social Media. Part of the RCUK roundtable discussion: 13 Nov 2013
- c. Invited talk at Privacy and Security in Online Social Media. TACTiCS symposium at Chennai: 28 - 29 Jan 2014
- d. Invited talk at Privacy, Credibility, and Identity. Organized by RCUK. IIT Bengaluru: 5–6 Feb, 2014.
- e. Invited talk at Privacy and Security in Online Social Media. First ACM Eminent Speaker Lecture in India. Thapar University. Patiyala: March 26, 2014
- f. Invited talk. Privacy and Identity. ACM Women’s India Event. IIT Delhi: Feb 14, 2014

Other Visits:

- a. Visiting Scientist - Ministry of Home Affairs, Delhi, 1 July, 2013 - 31 July, 2013.
- b. Visiting Researcher - Mumbai Police, 1 Dec, 2013 - 31 Dec, 2013.
- c. Co-organized a successful second edition of Security and Privacy Symposium
- d. Visited New York University, Abu Dhabi, to explore collaborative activities

11. Pushpendra Singh

- a. Invited talk on “Mobile Technologies for Healthcare” at International Conference on “Emerging Frontiers and Challenges in Management and Control of STIs and HIV.”
- b. Invited to be part of India Eminent Speakers program conceived by ACM India
- c. Invited to deliver lecture in IBM I-Care Winter School on Mobile Cloud Computing

12. Rahul Purandare

- a. Delivered an invited talk on “Dynamic Program Analysis to provide Security Assurances” at Security and Privacy Symposium 2014 at IIT Kanpur.
- b. Conducted a workshop on “Use of Security Automata and Cross-cutting Concerns” at Security and Privacy Symposium 2014 at IIT Kanpur.

13. Richa Singh

- a. Invited talk at “Face Recognition” seminar at University of Houston, June 2013
- b. Invited talk at “Online Learning”, Tata Consultancy Services, October 2013

Other Visits

Visiting Researcher, University of Houston, June – July 2013 (two weeks)

14. Shreemoy Mishra

- a. Invited talk at Seminar at the Delhi School of Economics. "Consumer Privacy and the Value of Purchase History with Stochastic Values." October, 2013, New Delhi

15. Somitra Sanadhya

- a. Invited talk at New HMAC patches, IIT Ropar, 28-March-2014.
- b. Invited talk at Design and analysis of hash functions, Advanced Course on Cryptology and Information Security (ACCSIS 2013), SAG, DRDO, New Delhi, Nov 2013.
- c. Invited talk at Role of mathematics in Cryptography, Keshav Mahavidyalaya, Delhi University, 03-Oct-2013.
- d. Invited talk at Cryptography, Academic Staff College, JNU, New Delhi, 22-July-2013.
- e. Invited talk at Secure function evaluation, QIP on Intelligent Informatics, IIT Kanpur, 18-July-2013.
- f. Invited talk at Weaknesses in WEP, 09-May-2013, National workshop on Cryptology, Cochin University of Science And Technology (CUSAT), Kochi.
- g. Invited talk at Secure function evaluation, 10-May-2013
- h. Invited talk at Cryptographic Hash functions, 09-May-2013

16. K Sriram

- a. Invited talk at IIT-Delhi under ICMR program "Robustness and fragility in Cancer systems
- b. Invited talk in TCS-Delhi on "Dynamical modeling of cortisol that distinguishes normal, depressed, and PTSD subjects".

17. Subhadip Raychaudhuri

- a. Invited talk on how immune cells are activated and cancer cells get killed (IIITD, Feb 20, 2014)
- b. Invited talk at Monte Carlo simulation elucidates the type1/type2 choice in apoptosis under death lig and induction (Target meeting's 3rd World Molecular and Cell Biology online conference, Session 10: Cell Death, Feb 27, 2014).

18. Subhasis Banerjee

- a. Invited lecture in a workshop at CS department, IIT Roorkee : " Challenges in Multicore Processor Design" November 2013

Other Visits:

Invited member of project review committee at SAG, DRDO – New Delhi

19. Sujay Deb

- a. Invited talk at NERIST on 'VLSI Design: The Road Ahead' on July 2013.
- b. Invited talk at NIT Silchar on 'Wireless Network on Chip' on February 2014.

20. Vikram Goyal

- a. Invited talk at AICTE Sponsored National Seminar on Mobile Computing and Mobile Applications Development, Panipat, March 2014
- b. Invited talk at Advanced Trends in Electronics, Computer and Communication, VCE Rohtak, October 2013

Other Visits:

- a. Invited talk at National Conference on Advances in Computing Communication Networks and Electrical Systems , MDU Rohtak, March 2014
- b. National Conference on Issues and Challenges in Computing Techniques, IET Chandigarh, March 2014

21. Vinayak Nayak

- a. Invited to give a talk titled "Requirements from Wireless Networks for Measuring Physical Analytics of Mobile Users" at Next Generation Networks (NGNs) organized by Science & Technology Department, Embassy" of France in India, and Computer Society of India in association with CEFIPRA on April 5, 2014 at India Habitat Center, Lodi Road, New Delhi.
- b. Invited as a panelist on the discussion of Smart Cities at First Xerox Research Centre India (XRCI) Open on March 14, 2014 in Bangalore.
- c. Invited to give a talk titled "Interference in Enterprise WiFi Networks" at AirTight Networks, Pune, on Dec 24, 2013
- d. Invited to give a talk titled "Introduction to Mobile Computing" at Big Data and Mobile Computing Winter school as part of IBM Research's "ICCARE'13", October 17-18, 2013

Professional Services:

1. Amarjeet Singh

- a. Adviser for the M.Tech program in Mobile Computing at IGDTUW
- b. Co-organizer E6 workshop, co-located with Comsnets, 2014
- c. Technical reviewer - CAMTech Innovation Awards
- d. TPC Member - Buildsys 2013, SenseApp2013, DARE2013 (Workshop in CIKM 2013), IISC Journal for CPS, eEnergy 2014
- e. Reviewer - *IEEE Journal for Internet Computing*

2. Angshul Majumdar

- a. Technical Program Committee for IEEE ICASSP, IEEE ICIP and ChinaSIP.
- b. Reviewer for MICCAI
- c. Reviewer for various journals like *Transactions in Medical Imaging, Magnetic Resonance Imaging, Magnetic Resonance in Medicine, Biomedical Signal Processing and Control, Information Fusion* etc.

3. Anubha Gupta

Reviewer for EuraSIP, 2014, NCC, 2014, SPCOM 2014

4. Ashish Sureka

- a. Program Committee Member for Conferences: ISEC 2015, APSEC 2013 and 2014, BDA 2013 and 2014, ICSE SEET 2014, MSR 2014, IC3 2014
- b. ESE Journal Reviewer
- c. Social Media Publicity Chair ICSE 2014
- d. Tutorial Chair BDA 2014
- e. Session Chair APSEC 2013, ICSE SEET 2014, BDA 2013

5. Astrid Kiehn

- a. Member of the program committee of 'Petri Nets and Software Engineering (PNSE)' 2014.
- b. Reviewer of a MOOC for NPTEL, IIT Delhi.

6. Ashwin Srinivasan

- a. Member of the Board of Studies of the FMCS, at the South Asian University, and a Special Committee Member of the School of Computational and Integrative Sciences at the JNU.
- b. Member of the Program Committee of the 'International Conference on Inductive Logic Programming', now entering its 25th year. Former member of the 'European Conference on Machine Learning', and a reviewer for journals like the *Machine Learning Journal* and the *JMLR*.

7. A V Subramanyam

- a. Co-chair of 'International Workshop on Multimedia Signal Processing Techniques and Applications (MSP'14)'.
- b. Program committee member of 'ACM Multimedia (ACM MM'14) conference'.
- c. Program Committee member of 'International Conference on Secure Knowledge Management (SKM'14)'

- d. Program committee member of 'International Conference on Pattern Recognition (ICPR'14)'

Ad-hoc Reviewer:

- a. Reviewer of *IEEE Transactions on Multimedia*
- b. Reviewer of *Journal of Optical Society of America A*
- c. Reviewer of *Elsevier Journal of Information Security and Applications*
- d. Reviewer of *Elsevier Journal of Information Fusion*

8. Debajyoti Bera

Member of expert committee for curriculum & exam review of CSE programs, IGNOU

9. Donghoon Chang

- a. Program Committee Member of ICISC 2014 (International Conference on Information Security and Cryptology, ICISC 2014)
- b. Reviewers of SPACE Conference, INDOCRYPT Conference, IET Information Security Journal

10. Apala Guha

- a. 'IEEE Recent Advances in Intelligent Computational Systems (RAICS) 2013' Program Committee Member
- b. 'ACM SIGPLAN Conference on Languages, Compilers and Tools for Embedded Systems (LCTES) 2014' Program Committee Member
- c. 'The 12th IEEE Symposium on Parallel and Distributed Processing with Applications (ISPA) 2014' Program Committee Member

11. H.B. Acharya

Technical Program Committee member, ICNP 2014.

12. Mayank Vatsa

- a. Area Editor, *Journal of Information Fusion*, Elsevier, February 2014 – Present
- b. Area Editor, *IEEE Biometrics Compendium*, January 2012 - Present
- c. Review Process Manager, *Journal of Information Fusion*, Elsevier, July 2011 - January 2014
- d. Program Committee Co-Chair, International Joint Conference on Biometrics, Tampa, USA, September 2014
- e. Program Committee Co-Chair, International Conference on Biometrics, Madrid, Spain, June 2013
- f. Session Chair, IEEE International Conference on BTAS, Washington DC, USA September 2013
- g. Session Chair: National Conference on Computer Vision, Pattern Recognition, Image Processing and Graphics, Jodhpur, December 2013
- h. TPC: European Conference on Computer Vision, Zurich, September 2014
- i. TPC: IEEE International Conference on Image Processing, Paris, October 2014
- j. TPC: IEEE International Conference on Computer Vision and Pattern Recognition, Boston, June 2014
- k. TPC: National Conference on Computer Vision, Pattern Recognition, Image Processing and Graphics, Jodhpur, December 2013
- l. Reviewer for Journals: IEEE TPAMI, CVIU, IEEE TIFS, IEEE TIP etc.

13. Mohammad Hashmi

- a. Associate Editor for the special edition of “International Journal of Microwave Science and Technology” published in May 2013. The focus of the edition was Advanced RF and Analog Integrated Circuits for Fourth Generation Wireless Communications and Beyond.
- b. Reviewer for IEEE Transactions on Microwave Theory Techniques, IEEE Transactions on Instrumentation and Measurement, IEEE Microwave and Wireless Component Letters, PIER Journals, International Journal on Microwave and Optical Technology, Several Conferences. Reviewer for top RF, Circuits and Instrumentation conferences such as IMS, APMC, ISCAS, and I2MTC.
- c. PC member: IEEE SPIN and IEEE IMPACT.
- d. MTech Thesis Examiner at IIT Delhi, IIT Kanpur, Gautam Buddha University Greater Noida, AMU Aligarh, Jamia Millia Islamia Delhi.
- e. PhD Thesis Examiner at Jamia Millia Islamia Delhi.

14. Ponnurangam Kumaraguru

- a. PC memberships, Editor/Associate Editor of journals, memberships of task forces, office bearers of societies/committees/organizing workshop/Tutorials,etc.
 - b. Part of the Technical Advisory Committee for the ACM Conference on Online Social Networks (COSN),
cosn.acm.org. I am also the publicity chair for the conference and I am on the PC.
 - c. Reviewer. Journal of Information Systems Research. Aug 2013.
 - d. Co-Organizer for Security and Privacy Symposium. Feb 20 – Feb 22, 2014.
 - e. Part of the Organizing team for the ACM India Event organized in IIT Delhi.
 - f. Program Committee member for the 23rd International World Wide Web Conference, WWW 2013, for the track Social Network Analysis.
 - g. Web Application Security 101 - April 20, 2014. 40+participants attended. Students, professionals in Delhi attended. Organized as Co-ordinator.
 - h. A Short Course in Social Network Analysis. Sept. 2013. 40+participants attended. Organized as Coordinator. Faculty was Dr. Sharique Hasan, from Stanford University.
 - i. Office bearer of the CMU Alumni Delhi Chapter.
 - j. In the Faculty Selection Committee for Munjal University. Jan 2014–Present.
- Government advisory roles:
- a. Member of Committee to Evolve Long term Technology Perspective Plan (LTTPP) for DRDO. 2012–Dec 2013.
 - b. Member of the First Joint Committee meeting for ICT between India & Peru. April 2014. Represented IIITD

15. Pushendra Singh

- a. External Reviewer, CEFIPRA projects
- b. External Reviewer, DIT projects
- c. External M.Tech. Thesis examiner, IIT Delhi

16. Rahul Purandare

PC member of ACM SIGPLAN International Workshop on the State Of the Art in Java Program Analysis (SOAP 2014) – Co-located with PLDI.

17. Richa Singh

- a. Guest Editor, Special Issue on Fusion in Biometrics, Information Fusion, Elsevier, 2014
- b. Editorial Board Member, Journal of Information Fusion, Elsevier, July 2011---January 2014
- c. Associate Editor, EURASIP International Journal of Image and Video Processing, SpringerOpen, November 2013 – Present
- d. IEEE Biometrics Council Education Committee, January 2012 – Present
- e. IEEE Biometric Council Conference Committee, October 2011 – Present
- f. Publications Co---Chair and Area Chair, International Joint Conference on Biometrics, Tampa, USA, Sep 2014
- g. Publications Chair, International Conference on Biometrics: Theory, Applications and Systems, Washington DC, USA September 2013
- h. Sponsorship Co---Chair, International Conference on Biometrics, Madrid, Spain, June 2013
- i. Session Chair, Biometrics Workshop, CVPR June 2013
- j. Session Chair, IEEE International Conference on BTAS, Washington DC, USA September 2013
- k. Session Chair: National Conference on Computer Vision, Pattern Recognition, Image Processing and Graphics, Jodhpur, December 2013
- l. TPC: IEEE International Conference on Computer Vision and Pattern Recognition, June 2014
- m. TPC: CVPR Workshop on Biometrics, June 2014
- n. TPC: European Conference on Computer Vision, Zurich, September 2014
- o. TPC: IEEE International Conference on Image Processing, Paris, October 2014
- p. TPC: National Conference on Computer Vision, Pattern Recognition, Image Processing and Graphics, Jodhpur, December 2013
- q. Reviewer for Journals: IEEE TPAMI, IEEE TIFS, IEEE TIP, Information Fusion etc.

18. Saket Anand

- a. Reviewer for Elsevier's Pattern Recognition.
- b. Reviewed for CVPR 2014.

19. Sandip Aine

- a. Reviewer: AAI (2013), RSS (2013), SOCS (2013)
- b. Editorial Board Member: AI Review
- c. Program Committee: ICAPS, 2013
- d. Program Committee: AAI, 2015

20. Somitra Kr Sanadhya

- a. Reviewed papers for INDOCRYPT 2013; Integration, the VLSI Journal; Journal of Medical systems; International journal of Computer mathematics;
- b. Active member of Cryptology Research Society of India (CRSI). Involved in lecturing at National workshop on Cryptology.

21. Sanjit Krishnan Kaul

- a. Reviewer of transactions, Ubicomp, IBM I-care workshop
- b. CRAWDAD data sets on road conditions in India
- c. External member on MTP committees at IIT Delhi.

22. Sujay Deb

- a. TPC member of VLSI Design Conference 2014 (Digital Design track)
- b. Reviewer of JETC, SUSCOM, IGCC, IDT etc.

23. K Sriram

- a. One of the organizers of fifth International Workshop on Biological Processes & Petri Nets (BioPPN 2014) in Tunisia.
- b. Reviewed two full-length articles on Petri-nets submitted in this workshop.

24. Shobha Sundar Ram

- a. Reviewer for IEEE Trans. on Antennas and Propagation and IET Electronic Letters

25. Subhadip Raychoudhury

- a. Reviewed international Journal of Molecular Sciences
- b. bioSystems

26. Subhasis Banerjee

- a. Technical Program Committee of ICIEV 2013. WEPA 2013 (workshop in HiPC 2013)
- b. Reviewer of International Journal or Parallel Programming, Elsevier Journal of System Architecture.

27. P B Sujit

- a. Reviewer for journals – JINT, Autonomous robots, IEEE control systems technology, IEEE Aerospace Electronics Systems, ASME, Sensors, Applied soft computing, IEEE Transactions on Systems, Man and Cybernetics: Systems
- b. Reviewer for conferences: ICRA, IROS, ACC, ECC, IFAC world congress, ACODS

28. Vikram Goyal

- a. Publicity Chair, International Conference on Big Data Analytics (BDA 2014)
- b. Poster Co-Chair, Security and Privacy Symposium, 2014
- c. Program Committee Member: WPEA 2013, ICCCT 2014, I-Care 2014, ICICT 2014, SPBDA 2014

29. Vinayak Nayak

- a. Invited to attend CoCCreation Workshop on Digital Activism and Online Communities organized by M4ID in New Delhi on April 24, 2014
- b. A member of the 1st Meeting of the Expert Committee to evaluate R&D Proposals on the Possible Impact of EMF Radiation Exposure from Mobile Towers and Handsets on Life and Related' R&D' Initiatives, organized by Science & Engineering Research Board (SERB), Department of Telecommunication (DoT), and Ministry of Telecommunication & Information Technology in Feb 2014

- c. Proceedings' Chair, Publications Chair and a Program Committee member for The First International Conference on Mobile Software Engineering and Systems (MOBILESoft 2014) in Hyderabad
- e. A reviewer for 2014 IEEE International Conference on Electronics, Computing and Communication Technologies (IEEE CONECCT), Bangalore during 6-7 Jan 2014
- f. A program committee member for NetHealth workshop to be held in conjunction with COMSNETS'14 in Bangalore
- g. An evaluator for The Executive Agency for Higher Education, Research Development and Innovation Funding (UEFISCDI) of Romania in 2013
- h. A program committee member of DEVC4 Symposium on Computing for Development, Cape Town, South Africa, on Dec 6 to 7, 2013
- i. Publication Chair and a Program Committee member of Programming for Mobile and Touch PROMOTO 2013, Indianapolis, USA on Oct 26, 2013
- j. Co-chair for Demos, a member of the Publicity Sub-Committee, and a judge for the Best PhD Forum Award at The Sixth International Conference on Communication Systems and Networks (COMSNETS), Bangalore, India from Jan 6 to 10, 2014

30. Vivek Bohara

- a. Reviewer for International Journal on Communication, IET communication, IEEE Transaction on signal processing etc.
- b. Reviewer for conferences on communication (Ex. ISWCS, Crowncom 2013 etc)

RollNo	Name	Credits earned	Subject	Name of Organisation	Type
2010058	Nishant Jain	2	Teaching	CSSAR	CW
2010096	Vinayak Chopra	2	Teaching	CSSAR	CW
2012070	Parth Batra	2	Teaching	MAD	CW
2012001	Aakriti Tayal	2	Volunteer	Save Earth	CW
2012059	Megha Arora	2	Volunteer	Save Earth	CW
2012086	Rohan Katyal	2	Volunteer	Save Earth	CW
2012065	Nehal Gulati	2	Promote rights of education	Vishwas Vidhalaya and Resource Center	CW
2012132	Bavneet Singh	2	Volunteer and Teaching	Cheshire Homes India- Delhi Unit	CW
2012071	Pawas Chhokhra	2	Teaching	CSSAR	CW
2012062	Mrinal Kachhara	2	Teaching	Upkarita Seva Samiti	CW
2012075	Prasant Chiddela	2	Teaching	CSSAR	CW
2012106	Sonia Dalal	2	Teaching	Teaching at Khoj Foundation	CW
2012084	Rishi Baijal	2	Volunteer	Blind Relief Association	CW
2012090	Saumya Prasad	2	Teaching	CSSAR	CW
2012130	ARUSHI JAIN	2	teaching	Teaching	CW
2012073	Pranav Chadha	2	Teaching	CSSAR	CW
2011115	Swati Gautam	2	Data Entry and Case Study	Pratham	CW
2012011	Akash kumar	2	Volunteer (file work)	Aman Biradari	CW
2012044	JUHI JETWANI	2	Teaching	CSSAR	CW
2011083	Priyam Kumar	2	data Entry and Case Study	Pratham	CW
2012012	Akhil Choudhary	2	Teaching	Aman Biradari	CW
2012138	Himesh Yadav	2	Volunteer	Aman Biradari	CW
2012145	Mimansa Som	2	Teaching	Ankur Society for People's Education	CW
2012004	Aarushi Karnany	2	volunteer(old age home)	Gharaunda	CW
2011001	Aakansha	2	Women Welfare	Aparajita	CW
2012030	Ayush Mittal	2	vounteer (old age home)	Gharaunda	CW
2012051	Kritisha Tondon	2	volunteer (child rights)	CRY	CW
2012119	Vinita Chaudhary	2	volunteer (child rights)	CRY	CW
2012099	Shreya	2	volunteer (child rights)	CRY	CW
2012010	Akanksha Rana	2	volunteer (child rights)	CRY	CW
2012149	Prateek Singh	2	data Entry and Case Study	Pratham	CW
2012055	Mansi Verma	2	Teaching	Sarv Janhit Samaj Kalyan Samiti	CW
2012034	Devyani Rohilla	2	data Entry and Case Study	Pratham	CW
2012160	Shreya Singh	2	volunteer (under privileged)	Group Avantika	CW
2012079	Preeti Singh	2	volunteer (welfare of rural community)	Mahila Pratiraksha Mandal	CW
2012069	Paridhi Mittal	2	volunteer(community literacy programme)	Akshay Pratishthan	CW
2012045	Jyoti Gangwar	2	volunteer (welfare of rural community)	Mahila Pratiraksha Mandal	CW
2012081	Priyanka Yadav	2	volunteer(community literacy programme)	Akshay Pratishthan	CW

2012053	Mahima Malik	2	Coordinator	Create Trust	CW
2011009	Aditya Gupta	2		Sun Foundation	CW
2012163	Shuktika Jain	2	volunteer (under privileged)	Group Avantika	CW
2012095	Shiv Kandikuppa	2	data Entry and Case Study	Pratham	CW
2012002	Aarushi Chawla	2	Conducted Survey	under Amarjeet Sir, IIITD	CW
2012046	Jyotsana	2	volunteer (blind education and training)	Rashtriya Pragya Drishti Sansthan	CW
2012087	Rohan Kumar	2	data Entry and Case Study	Pratham	CW
2012094	Shikha Madan	2	teaching	Sewa Bharti	CW
2012154	Rajat Ruhan	2	teaching	SOS Children's Village	CW
2012067	Pallavi Chhikara	2	data Entry and Case Study	Pratham	CW
2012080	Priya Chaudhary	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012147	Nikita Singh	2	teaching	SARD- Society for All round developement	CW
2012121	Abhinav Aggarwal	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012074	Pranav Chhikara	2	data Entry and Case Study	Pratham	CW
2011036	Brijesh Garg	2	teaching	Rotary City	CW
2012169	Vipul Panwar	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012009	Aditya Mishra	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012139	Inderdeep Singh	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2011053	Ishan Goel	2	volunteer (child rights)	CRY	CW
2012109	Suraj Rana	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012165	Siddhant Verma	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012020	Anisha Agrawal	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012038	Hardik Choudhary	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012162	Shubham Verma	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012005	Abhishek Dabas	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012040	Harsh Vaibhav	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012111	Talha Ahmad Siddiqui	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012107	Srishty Saha	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012003	Aarushi Goel	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW

2012014	Akshima	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012017	Alankrita Pathak	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012043	Jasmine Kaur	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012021	Ankit Mittal	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012072	Prabhjot Singh	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012126	Akshay Punhani	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012102	Shubhankar Singh	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012088	Sarthik Ahuja	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012054	Manan Gakhar	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012098	Shrey Gupta	2	Survey(energy consumption behaviour)	Under Amarjeet Sir, IIITD	CW
2012164	Shweta Sood	2	teaching	Akshay Pratisthan	CW
2012116	Varnika Singh	2	Volunteer	Jeevothan Foundation	CW
2012101	Shubham Singh	2	data entry and case study	Pratham	CW
2012167	Udayan Tandon	2	data entry and case study	Pratham	CW
2012091	Shagun Beniwal	2	Volunteer(old age home)	Gharaunda	CW
2012117	Vedanshi Kataria	2	teaching training and understanding special children	The Delhi Society for the Welfare of Special Children (DSWSC)	CW
2012037	Geetali Tyagi	2	Volunteer	Cheshire Homes India- Delhi Unit	CW
2012029	Ayush Goel	2	Internship	The Earth Saviours Foundation	CW
2012113	Tavneet Singh	2	Volunteer for handicapped children	Guru Nanak home	CW
2012022	Anmol Aggarwal	2	Teaching	Rotary City	CW
2012033	Deepali Kishnani	2	data entry and case study	Pratham	CW
2012110	Sushil Bharti	2	Teaching	HUMAN LIFE FOUNDATION	CW
2012093	Shashank Gautam	2	volunteer (child rights)	CRY	CW
2012143	Mansi Panwar	2	volunteer (child rights)	CRY	CW
2012137	Himanshu Singh	2	volunteer (child rights)	CRY	CW
2012066	Niharika Verma	2	Fund Collection for Orphanage	Deepalaya	CW
2012064	Neeraj kumar	2	volunteer (Dil se campaign)	Aman Biradari	CW
2012131	Ayush Verma	2	teaching training and understanding special children	The Delhi Society for the Welfare of Special Children (DSWSC)	CW
