Selected candidates for M.Tech. in Computer Science with specialization in Information Security / Data Engineering

The following candidates have been selected based on their academic record and/or relevant work/internship experience. Individual e-mail is being sent to each candidate with further instructions. Please follow the instructions as given in the email. Please remember, at any given point in time, if we find any discrepancies with the information you furnished, your admissions will stand cancelled.

We have accommodated your first preference for the admissions depending on the availability. Even if you have not got your first preference, you are eligible to move between specializations depending on the availability. For students in waiting list, you will be given the choice of specialization depending on the availability.

All candidates in this list are offered confirmed admission. Wait-list Assistantship will be moved to Assistantship if the candidates given Assistantship don't take the admission.
