TECHNICAL EVENTS

Beyond Engineering Event - 19 January, 2026

Beyond Engineering was conducted with the vision of encouraging students to look beyond conventional academic boundaries and engage with real-world problems that exist outside the classroom. The event focused on fostering a mindset where technology, innovation, and empathy come together to create meaningful impact. Students were encouraged to identify challenges faced by rural and underserved communities and propose technology-driven solutions that are practical, inclusive, and socially relevant. The event witnessed enthusiastic participation, with students demonstrating strong problem understanding, social awareness, and a genuine desire to contribute beyond grades or placements. Overall, Beyond Engineering served as a platform that motivated students to think critically about society, understand grassroots issues, and explore how their technical knowledge can be applied for broader social good.

Build for Campus Ideathon - Ongoing

Build for Campus was organized with the objective of enabling students to become active problem-solvers within their own campus ecosystem. Instead of hypothetical problems, students were encouraged to identify real issues faced on campus and design creative, technology-based solutions to address them. The event promoted ownership, innovation, and hands-on thinking, where students analyzed everyday challenges related to campus life and proposed solutions aimed at improving efficiency, accessibility, and overall student experience. Participants showed strong enthusiasm and passion, actively engaging in ideation and solution-building with a practical mindset. Build for Campus successfully nurtured a culture of building for immediate impact, reinforcing the idea that innovation can begin at one's own surroundings before scaling outward.

d4rk0de | CTF Workshop

The CTF Workshop was conducted on 23 January 2026 by d4rk0de as a continuation of previous introductory sessions. The workshop aimed to prepare students for higher-level Capture The Flag competitions through hands-on learning and skill development.

CLUB EVENTS

LDA | Samanvay MUN

Samanvay MUN was held on 10 January 2026 as a premier Model United Nations conference hosted by the LDA Society of IIIT Delhi. The event provided a dynamic platform for debate, diplomacy, and leadership, bringing together delegates to participate in high-impact committees and engage in meaningful discussions on national and global issues.

Évariste Club | FRAQURYC

FRAQURYC was conducted on 12 January 2026 as the next edition of the Problems of the Week series organised by the Évariste Club. The event encouraged students to solve challenging problems, promoting analytical thinking, consistency, and logical reasoning.

FooBar | Prosort

Prosort was organised on 14 January 2026 as a Div. 3–level Codeforces contest by FooBar. The competition tested participants' programming skills, featured cash prizes, and provided top performers with an exclusive opportunity to join FooBar.

d4rkc0de & OWASP IIITD | OSINT Workshop

The OSINT Workshop was conducted on 14 January 2026 by d4rkc0de in collaboration with OWASP IIITD. The session introduced participants to open-source intelligence techniques and practical tools, strengthening cybersecurity awareness and investigative skills.

Sober Circle | Movie Night with Debate

The Movie Night with Debate was held on 20 January 2026 by Sober Circle and featured a screening of the film *A Beautiful Boy*, followed by a structured debate. Participants critically analysed the film's themes and articulated their viewpoints in an engaging discussion.

Girl Up Udaan | Idea to Brand: Finance and Marketing Webinar

The webinar was held on 22 January 2026 by Girl Up Udaan in collaboration with Girl Up Rooh, Girl Up Delhi University, Girl Up Ascent, and Girl Up Gargi. The session focused on financial literacy, marketing strategies, and women-led entrepreneurship.

MORE EVENTS!

77th Republic Day Celebrations at IIIT-Delhi

The 77th Republic Day Celebrations were held on 26 January 2026 at IIIT-Delhi with great enthusiasm and patriotic spirit. The programme commenced with a plantation drive, followed by the hoisting of the national flag at the Open Amphitheatre. The Director's address and cultural performances highlighted the values of the Indian Constitution and fostered a sense of unity and responsibility among the student community. The celebrations concluded with refreshments, making the occasion meaningful and memorable.

Third Hostel Cleanliness Drive Successfully Conducted

The third hostel cleanliness drive was successfully conducted on 10 January 2026 across the Old Boys Hostel, Girls Hostel, H1, and H2. Organised jointly by the Environment Secretary, Hostel Committee members, and NSS volunteers, the drive aimed to sustain cleanliness standards and strengthen a sense of responsibility among hostel residents. Students present during the scheduled time actively participated by disposing of waste properly and assisting in cleaning corridors, stairways, and common areas.

The overall condition of the hostels was observed to be significantly improved, with minimal litter found in high-traffic areas, reflecting increased awareness and positive hygiene practices. Voluntary participation and coordinated efforts among residents and volunteers highlighted a cooperative spirit within the hostels. The initiative reinforced collective responsibility and contributed to maintaining a clean, healthy, and sustainable hostel environment.
