STUDENT AFFAIRS HIGHLIGHTS

JUNE, 2023

TO NEW BEGINNINGS

Student bodies of IIIT-Delhi work relentlessly
to welcome the incoming MTech/PhD batch

THE BRIEF

(21st June) **International Yoga Day** celebration at IIIT Delhi included 3 pre-events. The pre-events set the stage for a remarkable day filled with the spirit of unity, creativity, and holistic wellness. The Soulful Stretches - Online Yoga Video Contest conducted from 11th-20th June brought together yoga enthusiasts, including our esteemed alumni, to showcase their skills and promote correct postures. The Logo Competition took place from 13th-21st June challenged participants to design the official logo for our Sports Council, capturing the essence of sports, fitness, and community. In collaboration with Meraki, the Artistic Asanas event conducted from 14th-20th June celebrated the beauty of yoga through captivating artwork. On the main day, we experienced rejuvenating yoga sessions, a fitness challenge, a mesmerizing Kathak performance, and an enlightening speaker session by Dr. Pratima Tandon. The event culminated in resounding success, leaving participants with a sense of accomplishment and a joyous finale to the celebration.

(30th June- 2nd July) The **Mtech-Ph.D. Induction**, held from June 30th to July 2nd, 2023, kickstarted an exhilarating academic journey for incoming students. The event featured renowned speakers like Dr. Prof. Pankaj Jalote, Dr. Smriti Singh, and Dr. Anubha, who shared their wisdom and expertise. The induction kits were distributed, symbolizing the start of the transformative journey. The event also included inspiring sessions by the Incubation team and startups, a placement cell session, and engaging ice-breaking activities. Motivational talks by Captain Akhilesh Saxena and Mr. Ankit Aggarwal emphasized overcoming obstacles. Mental health, sports events, yoga, and clubs/societies were also highlighted. Distinguished speaker Mr. Zafar Iqbal and alumni provided invaluable insights. The Induction set the stage for an unforgettable academic journey filled with friendship, unity, and personal growth.

(24th June - 3rd July) **ACM** IIIT Delhi Student Chapter organised a 10-day long, adrenaline-fueled coding extravaganza! They saw an enthusiastic participation of over 150 students (peak). The tasks for each day during the 10-day event ranged from algorithmic problem solving, displaying creativity using generative AI and a fun, 3-day hackathon at the end. This electrifying adventure was a golden opportunity to kick-start a journey in tech with a prize pool for over ₹3000.

The first 4 days consisted mainly of algorithmic problem solving, with problems increasing in difficulty each day. The next 3 days had art challenges using Generative AIs like midjourney, DALL-E etc. The final 3 days had a fun ideathon where students were forced to think critically about the issues that surrounded them in this institute. Results are yet to be announced, so stay tuned!
