Champions League and IPL Finals Screening

The beautiful culture of appreciating different sports at IIITD fills our hearts with pride and is a big source of motivation for everyone at the Sports Council. Students like to see and follow cricket, football, tennis, F1, badminton, etc. Thus, we organized screenings of the finals of the Champions League and IPL on 28th and 29th May 2022 in C-101. Both finals were of epic proportions, and the student community didn't miss the chance to celebrate their favorite teams, players, and memorable moments with one another. Each cheer, grunt, headshake, and victory dance just went on to show the heights achieved by the Sports Council in the last year to teach an innate appreciation of sports and play hard but fair philosophy.

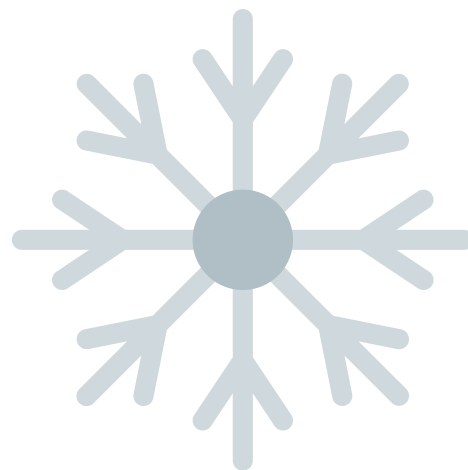

COLD AS ICE – THEY WEREN'T WATER COOLERS!

The walk to the Lecture Hall Complex keeps getting longer into this summer. The walk back to the hostels after a heavy lunch? Barely bearable. And even when you try to stock up some Masala Chhach back on your way to the hostels, only to open up something that smells like freshly boiled milk, you shake your head in disappointment.
