THE BRIEF

The students of IIIT-Delhi recently organized '**Kohinoor**', a High tea with the final year students for the faculty and staff members on **December 12th**. This was a tradition in the Institute before the pandemic which has been resumed from this year. It was an evening filled with delightful conversations, delicious treats, and a sprinkle of fun activities. This event was a way of expressing gratitude for the incredible support and guidance the students have received from the faculty and staff throughout their academic journey.

The "**Joy of Theory**" session held on **December 18th** at IIIT Delhi was a resounding success. The event, organized by faculty from the CSE and ECE department, featured an engaging panel discussion with alumni and current students specializing in theoretical research. Attendees had the opportunity to delve into the world of mathematical abstraction, gaining insights into how theory enthusiasts navigate challenges. The event provided a platform for aspiring minds to interact with seniors, exploring diverse aspects of theoretical research, overcoming language barriers, and discovering career prospects in the field. An inspiring and informative session that fueled curiosity and passion for theory.

THE JOY OF THEORY

Come join us for an informal session with our alumni pursuing theoretical research!

Quiz enthusiasts, rejoice! **Trivialis** and Delhi Quiz Club teamed up on **December 16th** for a day of intellectual fun at IIIT-D! "Forty Rules of Quiz" by Gauri Yadav ignited the morning, followed by Vallari's captivating "Roti, Not Kapda" in the afternoon. Teams formed like lightning, and the air crackled with competitive spirit. Thanks to all participants and organizers for making it a day of unforgettable quizzing

On **December 22nd**, LDA hosted an online simulation of the Model United Nations, replicating the real-world experience through video conferencing. Delegates pre-assigned countries debated current issues, guided by the Executive Board. This midnight MUN provided a platform for newcomers and experienced delegates alike, starting at 9:30 pm.

CyFuse hosted an interactive project session on **December 22nd**. They first explained IIITD's project conventions for courses and programs like IP/BTP/IS. Then, they introduced CyFuse projects, a new option for impactful work with professors and PhD students. Current CyFuse projects were showcased, and the session concluded with an open discussion to help participants find projects aligning with their interests and coursework.

The **65th Square** hosted IIITD Christmas Chess Arena on Lichess, held on Monday, **December 25th** at 6:00 pm, showcased thrilling 5+3 Blitz chess battles with BERSERK! Participants engaged in intense duels, unleashing strategic brilliance. The event, a winter chess spectacle, left players and spectators alike immersed in the holiday spirit, with tactical moves replacing sugarplums in their dreams.

Celebrating **Muse's** meteoric rise at Mood Indigo! Not only did they secure a phenomenal 1st Runner-Up title in the Best Team category, but their creative genius also snagged the coveted Best Designer Award. Their commitment to innovation and stunning visual showmanship resonated perfectly with the essence of Vogue, leaving an indelible mark on the fashion extravaganza. A huge shoutout to the entire team for this awe-inspiring achievement

Audiobytes brought their vocal magic to Mood Indigo! They belted out soulful tunes in both "Singing the Indigos" and "MI Idol," solo singing competitions celebrating English and Hindi music. One talented member even soared into the "Singing the Indigos" semi-finals, proving their passion and talent on the grand stage.

The Sports Council has unveiled our newly renovated basketball and tennis courts. The gym also received a comprehensive makeover, fixing machines, adding new equipment, and sparkling with fresh paint. Plus, the Table Tennis Room got a cool boost with AC and improved ventilation, making it the perfect place to crush your opponents (and the heat!).

The Sports Council's "The Athlete's Edge" SG Course empowered 106 students via 8 sports over 4 months. Top performers like Nisha Narwal & Prachi were honoured at the finale, celebrating personal growth & sportsmanship.
