THE BRIEF

The "Work-Life Integration" workshop on March 6th aimed to help IIITD Officers balance work and personal life. Led by Ms Archita Sobti, the session explored work life balance, emotional wellbeing and time management.

The Placement & IOP office at IIIT-Delhi organized the "Global University Fair" on 12th March 2024 on campus. The purpose of the event was to give the students useful information regarding opportunities for higher education globally. The program began with a quick round of introductions from each institution representative, offering attendees an overview of that university. This was followed by a Q&A session, which allowed students to speak with representatives face-to-face.

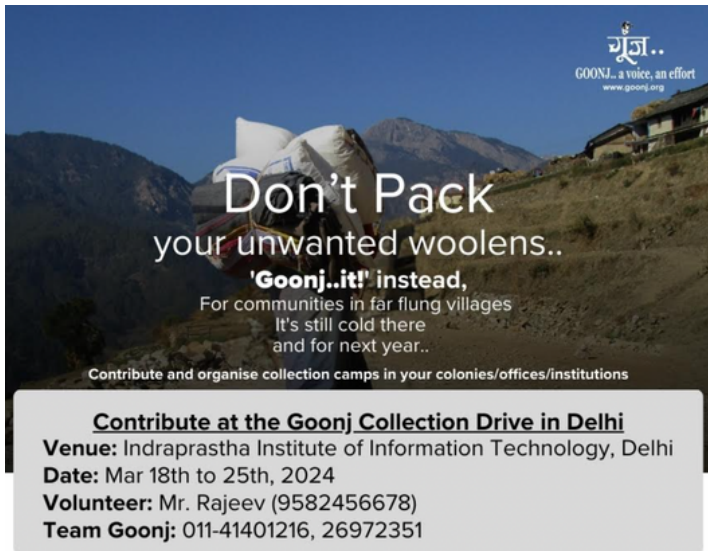

The NSS IIIT-Delhi, in collaboration with RIISE, conducted "The Blood Donation Camp on 15th and 16th March 2024, which was a great success. The camp saw an overwhelming zeal and unparalleled enthusiasm from the students, faculty members and staff. The NSS IIIT-Delhi had also set up a counseling desk for the people to share their medical history, along with a medical check-up desk, for people to get knowledge about their blood group and hemoglobin. Mandatory refreshments, along with goodies like keychains, were also given to the donors after the donation.

The Dental Camp held at IIIT Delhi on March 19th 2024, was a resounding success, benefiting students and promoting dental health awareness. The event, organized by the Office of Student Affairs, provided students with free dental check-ups and consultations. With the support of our medical insurance partner, students received valuable insights into maintaining oral hygiene. The camp not only offered essential dental care but also educated students about the importance of oral health.

Don't Pack your unwanted woollens..
'Goonj..it!' instead.
 For communities in far flung villages
 It's still cold there
 and for next year..

Contribute and organise collection camps in your colonies/offices/institutions

You can also contribute:

Blankets, sweaters, jackets, shawls, lowers, caps, socks (in pairs), gloves, bed sheets, general clothing, stationery, toys, footwear (tied in pair) etc.

The free awareness session on Polycystic Ovary Syndrome (PCOS) at IIIT Delhi, in collaboration with the PCOS Society of India, held on March 20th 2024 was a significant success, particularly beneficial for women and female college students. The session, led by Dr. Rakhi Singh, aimed to educate and empower women about PCOS, a condition affecting 1 in 5 women in India. Attendees, including female college students, gained valuable insights into PCOS symptoms, management strategies, and more, enhancing their health awareness. The event provided a platform for women to ask questions and seek clarification, ensuring they left with a better understanding of this prevalent health issue.

The collection drive organized by the Office of Student Affairs at IIIT Delhi, in collaboration with Goonj, was a remarkable success, showcasing the institute's commitment to social responsibility. The drive, held from 18th to 25th March 2024, received an overwhelming response from students, faculty, and staff. Donations of properly packed and segregated materials, following the guidelines provided, poured in. The collected items, including clothes, blankets, toys, footwear will be used for social causes, benefiting marginalized communities. The event not only promoted the spirit of giving but also raised awareness about responsible donation practices.

THE PCOS SOCIETY INDIA | IID | INDRAPRASTHA INSTITUTE OF INFORMATION TECHNOLOGY DELHI | Vijayeta

1 in every 4 women in India has PCOS and this number is on the rise!

Unravelling the Puzzle of PCOS

 4:30 to 5:30 PM
 Room No. A007
 (R&D Building), IIITD Campus

SESSION BY: DR. RAKHI SINGH

Despite affecting millions of women, PCOS is unknown to most people and a staggering 50% of the women living with PCOS are undiagnosed

The SMP session on March 22nd targeted CSE mentors, enhancing their mentoring skills through interactive activities. Facilitated by faculty, it emphasized effective communication and support for mentees' academic and personal development.

Holi party hosted by IIITD's Cultural Council on March 23rd, a jubilant fusion of colors and culture was a big success. Students embraced the festive spirit with infectious enthusiasm, dancing to lively beats and sharing laughter. Amidst vibrant hues and joyous camaraderie, the event epitomized the essence of unity and celebration. It was a memorable occasion, uniting the IIITD community in a spirited celebration of tradition and togetherness.

On March 13th, 2024, at 11:30 AM, an enlightening orientation session by SPIC MACAY took place at A-006. The session featured esteemed delegates including Sh. Rajiv Giri, National Convenor, Ms. Shalini, Student Joint Secretary of the Delhi Chapter, and Sh. Arun Sahay, Former Chairperson. They shared insights into SPIC MACAY's conceptual and organizational movements, shedding light on their impactful initiatives. The session provided an opportunity for attendees to understand and engage with SPIC MACAY's mission of promoting Indian classical music, dance, and culture among youth and fostering a deeper appreciation for the arts.

Astronuts proudly presented "Capturing Cosmic Beauty: An Evening of Astrophotography." This exclusive session, which was scheduled for the evening of March 14, 2024, promised to be a celestial experience like no other! Attendees were treated to stunning views of the universe, captured through the lenses of passionate astrophotographers. The event provided a unique opportunity to marvel at the cosmic wonders and appreciate the intricate beauty of our universe.

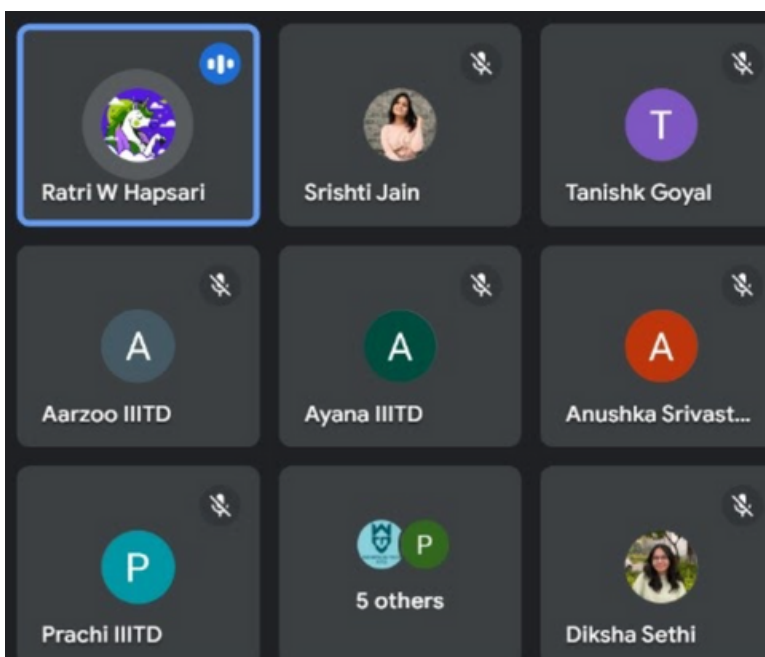

The RIISE X E-Summit 2024, held at Indraprastha Institute of Information Technology, Delhi from March 15th to 16th, 2024, was a remarkable success. Prof. Ranjan Bose, Director of IIIT-Delhi, welcomed esteemed guests Mr. Jaswinder Chadha, CEO & President at Axtria, and Mr. Anku Jain, MD MediaTek India, to inaugurate the event. Prof. Bose emphasized IIIT-Delhi's commitment to fostering research and innovation, aligning with the theme "Build for India." Mr. Chadha and Mr. Jain shared insights into the symbiotic relationship between research and startups, lauding IIIT-Delhi's efforts in AI, Coding, Robotics, and Quantum Computing. With over 2k attendees, 500+ competition registrations, and wisdom from 42 speakers, RIISE X E-Summit 2024 was a game-changer, leaving an indelible mark on all participants.

Finnexia hosted an exciting Tambola evening on March 15, 2024, at 5:00 pm, at the OAT in front of the RnD Block. The classic game of Tambola was given a financial twist, promising attendees a fun-filled experience with valuable insights into fundamental aspects of finance. With cash prizes for everyone, the event guaranteed an awesome time. Attendees were reminded to bring their pens for the game and were assured of a no-plagiarism policy. It was a perfect opportunity to have fun and learn together in a lively atmosphere.

BYLD presented "Blockchain Unlocked," an immersive workshop on March 20th, aimed at exploring the potential of Web3 and offering hands-on experience in decentralized banking. Participants had the opportunity to build their decentralized banks from scratch, gaining valuable insights and practical skills. The event took place at B-003, RnD, from 4:30 PM to 7:00 PM. It provided a platform for enthusiasts to delve deep into blockchain technology, unlocking new possibilities and empowering them to innovate in the decentralized finance space.

Finnexia hosted an electrifying event, "Storage Wars: Go Bid or Go Home!" on March 21st, 2024, from 4:30 PM to 6:30 PM at A007, RnD. Participants embarked on a thrilling journey of mystery and excitement, uncovering valuable items and engaging in strategic bidding. Open trading rounds allowed for negotiation and trading with fellow treasure hunters, intensifying the competition. Participants were urged not to miss the opportunity to outwit their competitors and claim their share of the loot.

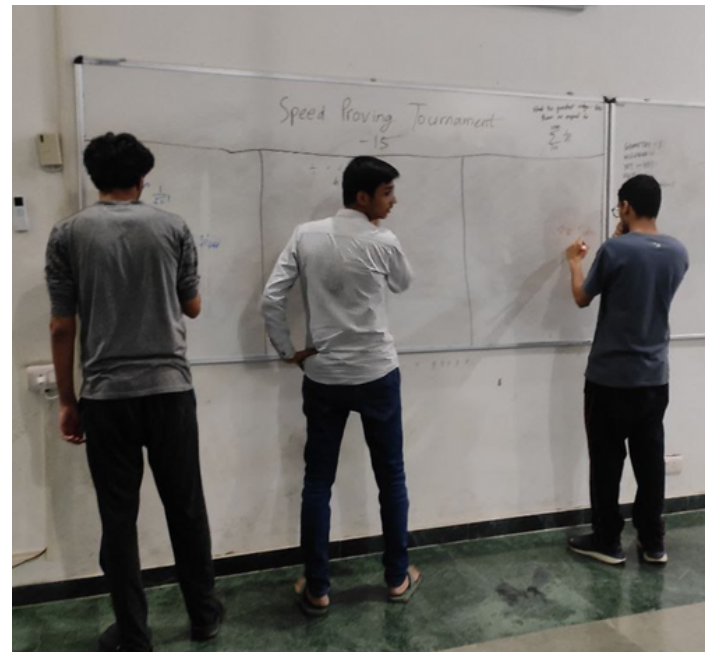

On March 29, 2024, "All About MBA" featured IIITD alumni speakers in a virtual session, guiding students on management trajectories post-Bachelor's. This event aimed to provide insights into the field of management, aiding students in making informed career decisions. Earlier, on March 15, 2024, Women In Tech hosted "I am Remarkable," an empowering session led by facilitator Ratri W Hapsari. Participants celebrated their career achievements under Ratri's guidance, benefiting from her expertise as a Gold Tier Facilitator of #IAMRemarkable and Google Crowdsource Mentor. Attendees were encouraged to reflect on their remarkable journeys, fostering personal growth within the tech community.

Astronuts organized "Discover The Cosmos - An Evening Under the Stars: A Talk by an Astronomer and Stargazing Session." The event featured a captivating talk by an astronomer, offering expertise and insights to enrich attendees' understanding of the cosmos. Following the talk, a stargazing session allowed participants to observe celestial objects through telescopes, immersing themselves in the wonders of the night sky. The event aimed to inspire students and foster a deeper appreciation for astronomy, providing an unforgettable experience of exploring the mysteries of the universe firsthand.

Évariste hosted the "Speed Proving Tournament - 15," a contest that challenged participants to solve questions on the spot with speed and accuracy. Participants competed to solve questions in the fastest time possible, showcasing their problem-solving skills under pressure. The tournament provided a thrilling opportunity for participants to test their mathematical abilities and compete against their peers in a high-paced environment. It aimed to promote quick thinking and efficient problem-solving techniques among the participants.

The Sports Council of IIITD orchestrated a dynamic auction event on March 18th for the 3rd Edition of Joga Bonito, the annual football league, delivering an exhilarating experience for participants and fans alike. Additionally, the Indraprastha Premier League (IPPL) Auctions for 2023-24 unfolded on March 27th, featuring five competitive teams vying for a substantial purse of 45 crore rupees. These events exemplified the dedication and enthusiasm of sports enthusiasts, setting the stage for thrilling competitions and fostering a vibrant sports culture within the IIITD community.

IIITD proudly represented at the IIT Roorkee fest, boasting a formidable delegation of 70 members spanning 8 sports teams. Demonstrating prowess across various disciplines, the contingent clinched notable triumphs, securing Gold in men's Football and Bronze in women's Football, alongside a commendable performance in Basketball, reaching the Quarterfinals. Additionally, the Table Tennis team showcased remarkable skill, adding to the accolades. The event served as a platform for spirited competition and camaraderie, fostering sportsmanship and unity among the participating institutions. IIITD's stellar performance underscored its commitment to excellence and sportsmanship on a grand stage.

March 22nd 2024 witnessed the spirited celebration of Sports Day at IIITD, brimming with a diverse array of engaging events. From the exhilarating faculty cricket match to the lively lemon race and the competitive badminton tournament, participants and spectators alike reveled in the excitement. Noteworthy triumphs included Sayak 11's victory over Ravi 11 in cricket, with Sumit Darak Sir earning the prestigious Man of the Match accolade for his stellar performance. Vinod Kumar clinched the Fighter of the Match award, while Abhinay was honored as the Best Bowler of the Match, highlighting outstanding sportsmanship and skill.
