PhD positions with CSE department @ IIIT Delhi

Dr. Rinku Shah

B511 R&D Block,

Indraprastha Institute of Information Technology Delhi (IIIT Delhi),
Okhla Phase III, New Delhi 110020

Call for applications -- Ph.D.

September 15, 2023

I am looking for Ph.D. candidates to work in the domain of ***computer networks and systems.***
I have **THREE** fully-funded positions for projects in ***cloud networking, security, and programmable networks (using FPGA smartNICs)***.

To pursue a Ph.D. in areas related to *computer networks and systems*, you are expected to have good fundamentals in computer networking, operating systems, and C/C++ programming skills. You must be curious-minded, hard working, and a persistent individual.

Minimum qualifications: B.Tech/M.Sc/MCA (Computer Sc., ECE, IT) from a recognized institution in the country. Check eligibility criteria details and FAQs.

Salary: Comparable to what is given by Govt. of India DST-sponsored research projects (***over Rs. 37,500 / month***).

Principal Investigator: Dr. Rinku Shah, Assistant Professor, IIIT-Delhi

Funding source: IHUB NTIHAC IIT Kanpur and others

Job type: There is no overall time limit for doctoral research. Normally, at IIIT Delhi, students complete their doctoral thesis work in about 5 years. However, the actual duration may vary, subject to student interest and chosen research problem(s).

How to apply: Send an email attached with your CV and transcripts to rinku@iiitd.ac.in, with the subject line **"Position -- PhD"** by **Oct 30, 2023.**

Send your application early, as positions will be filled as soon as we get the right candidate.
