Max Healthcare and IIIT, Delhi Collaborate to Advance Healthcare Research and Education

New Delhi/XX May, 2023- Max Healthcare Institute Limited, a leading healthcare provider in India, and Indraprastha Institute of Information Technology, Delhi (IIIT-Delhi), a leading research institute in the field of information technology, has announced a strategic collaboration to advance healthcare research and education in India.

The partnership aims to leverage the strengths of both organisations to promote and conduct high-quality research, develop cutting-edge healthcare solutions, and design and deliver capability and capacity-building programs for healthcare professionals.

Commenting on the partnership**, Dr Sandeep Budhiraja, Group Medical Director from Max Healthcare Institute Limited,** said, "We are delighted to partner with IIIT-Delhi to advance healthcare research and education in India. This collaboration will enable us to leverage the latest advancements in technology to develop innovative solutions that can improve patient outcomes and enhance the quality of care. Additionally, we believe that this will bring together the complementary expertise of our organisations to develop new tools and solutions that can address the public health priorities in India and beyond."

Prof. Ranjan Bose, Director of IIIT-Delhi, added, "We believe that the healthcare industry in India is ripe for disruption, and with rapid advancements in the fields of AI-enabled analytics, genomics and computational biology, such a collaboration could not be more suitably timed. This collaboration will focus on joint research activities and academic exchanges. IIIT-Delhi will bring its expertise in data science, machine learning, and artificial intelligence to this partnership and help develop innovative solutions that can augment the depth and breadth of healthcare services while reducing costs. Additionally, IIIT-D will also focus on enhancing the training of healthcare professionals, and promoting research in the field of healthcare technology in order to make a lasting impact in the healthcare space."

Max Healthcare and Indraprastha Institute of Information Technology, Delhi (IIIT-Delhi) have signed a Memorandum of Understanding (MoU) to establish the strategic collaboration.

The MoU was signed by Rakesh Kaushik, Director Legal & Regulatory Affairs of Max Healthcare and Dr Ashok Solanki, Registrar IIIT-Delhi.

About Max Healthcare Institute Limited:
Max Healthcare Institute Limited (MHIL) is one of India's largest hospital chains (considering only income from healthcare services) in fiscal 2023. It is committed to the highest standards of medical and service excellence, patient care, scientific and medical education.

MHIL has major concentration in North India consisting of a network of 17 healthcare facilities. Out of the total network, eight hospitals and four medical centres are located in Delhi and the NCR and the others are located in the cities of Mumbai, Mohali, Bathinda and Dehradun. The Max network includes all the hospitals and medical centres owned and operated by the Company and its subsidiaries, partner healthcare facilities and managed healthcare facilities. These include state-of-the-art tertiary and quaternary care hospitals at Saket, Patparganj, Vaishali, Rajendra Place, and Shalimar Bagh in Delhi NCR and one each in Mumbai, Mohali, Bathinda and Dehradun, secondary care hospital in Gurgaon and Day Care Centres at Noida,

Lajpat Nagar and Panchsheel Park in Delhi NCR and one in Mohali, Punjab.The hospitals in Mohali and Bathinda are under PPP arrangement with the Government of Punjab.

In addition to its core hospital business, MHIL has two SBUs - Max@Home and Max Lab. Max@Home is a platform that provides health and wellness services at home and Max Lab offers diagnostic services to patients outside its network.
