SPECIFICATIONS:

1. GENERAL:

- 1.1. Without forgoing the requirements of the conditions of Tender and the Conditions of Contract the works in general shall conform to the "Specifications 2007" published by CPWD, New Delhi and the "Specifications for works" stated in this tender. In case items not covered by the general specifications referred above, reference shall be made to the appropriate I.S. Codes. If there is any difference in the particular specifications of individual item of work and the description of item as given in the Schedule of quantity, the latter shall prevail. In case of any work for which there is no specification in I.S. specifications in the specifications forming part of tender documents or in case there is any variation, such work shall be carried out in all respects in accordance with the instructions to be issued by the Engineer-in-charge. The term Officer in Charge appearing in the specifications shall mean supervisor and be in Charge of the work or his authorized representative as the context may demand. All corrections to "Specifications 2007" or latest revisions of I.S. Code/ Specification shall be deemed to apply to this contract.
- 1.1.1. Materials bearing ISI certification mark certification shall be given highest preference for use in the works. Where the Contractor is required to do, perform, execute (etc.) any work or service or the like, it shall be deemed to be at his own cost. Absence of terms providing, Supplying, installing, fixing, etc. shall not even remotely entitle the Contractor to any additional payment there for
- 1.1.2. The rates accepted in the Schedule of Quantities apply to all floors, heights, depths, leads, lifts, spans, sizes, shapes, locations, etc. unless a distinction has been included in the very Schedule.
- 1.1.3. The Specifications and the Schedules may have been divided into various sub-heads for convenience only. This does not limit applicability of one to the other nor does it absolve the Contractor of his responsibility to complete any trade / item of work as reasonably inferred from one or more of such sub-heads.
- 1.1.4. The Schedule of Quantities is not necessarily based on "Schedule of Rates - Delhi 2007 or any of its later/ earlier versions. Hence the Schedule of Quantities shall be read and construed according to explanations given herein and intentions gathered there from. A mere parallel drawn from the said Schedule of Rates shall therefore not form a basis for a variation and, or additional payment.
- 1.1.5. All work under this contract is deemed to be performed above subs soil water level. However, removal of water collected from rains and the like shall be treated as part of contractual risk/obligation.
- 1.1.6. Screws, bolts, nuts, washers, hold fasts, lugs, anchors, clamps, plugs, suspenders,

brackets, straps and fasteners of the like are deemed to be included in the rates of various items unless the Schedule of Quantities expressed a different intention.

1.1.7. Resetting any displacements, making good holes/chases and such other incidental jobs are included in rates of respective items for which these are required.

2. DRAWINGS, SPECIFICATIONS, INTERPRETATIONS ETC.:

In general, drawings shall indicate the dimensions, positions and type of construction, the specifications shall stipulate the qualities and the methods and performance criteria, and the schedule of quantities shall indicate the provisional quantities and the rates for each item of work. However, the above documents being complementary, what is called for by any one shall be as binding as if called for by all. In case of contradictory requirements between specifications and schedule of quantities, the requirements given in the schedule of quantities shall prevail.

Special conditions being mainly an amplification of General Conditions, they shall be read in conjunction with each other.

Work indicated on the drawings and not mentioned in the schedule of quantities or specifications or vice versa, shall be deemed as though fully set forth in each. Work not specifically detailed, called for, marked or specified, shall be the same as similar parts that are detailed, marked or specified.

3. Sample Approvals

- a. A pre-delivery inspection may be undertaken by the IIITD representatives at the place of manufacture of the suppliers works / sites of installation of similar works . If required, inspections at various stages of manufacturing can also be undertaken by the IIITD representatives at supplier's workshop and contractor should not have any objection for the same. The time taken for inspection is inclusive of the scheduled completion time of the delivery & placing. If there are any issues, regarding quality of materials, the IIITD reserves right to get the material tested and the contractor has to bear all expenses towards transportation, testing charges, etc.
- b. Each of the supplied items must conform to the sample shown by the bidder for evaluation that has been approved. If the technical committee observes that the quality of the supplied items appears to be lower than the sample provided and initially approved, then randomly selected supplied items will be subjected to further third party testing at the Sri Ram Test Laboratories, New Delhi or any other NABL accredited laboratory. Vendor will bear all the cost of the test. Negative report may lead to cancellation of Supply order/Work Order, forfeiture of Performance Bank Guarantee and necessary legal action under relevant clauses of IPC.

4. Defect Liability period : Warranty

The contractor shall provide 12 months Warranty (on site and comprehensive) on all items from the last date of placing and shall be responsible for any defects that may

develop in the furniture. They shall also have to replace any defective part of the product supplied and other accessories, without any exception and recourse without any extra cost.

The contractor is responsible for all packing, unpacking, assembly, placing of units. The contractor will test the products and accomplish the adjustments necessary for successful and continuous operation of the products supplied at all placing sites and shall ensure maintenance of the supplied products during the warranty period. All the repairing/replacing of defects shall be done by the contractor under defect liability conditions without any additional expenses to the Institute.

5. **Payment Terms**

- a. Each invoice should be submitted in duplicate clearly specifying contract no, goods description, quantity, unit price, total amount along with warranty certificate, etc.

Payment for Goods and Services shall be made by Institute in Indian Rupees as follows:

- b. **Mobilization Advance:** Mobilization advance not exceeding 10% of the tendered value may be given to the contractor if requested in writing within one month of the order to commence the work in two or more installments at the discretion of the Engineer In Charge against Guarantee bond from a scheduled bank for an amount equal to 110% of the amount of advance and valid for the Contract period. This BG shall be renewed to cover balance amount till likely period of recovery. No other advances shall be payable whatsoever.
- c. **Payment :** Payment will be made against actual supplies as specified in the delivery schedule.
 - i) 70% of the payment will be made on delivery at site and receipt of the invoice thereof.
 - ii) 30% of the payment will be made after the assembly and installation in place and site clearance.
- d. **SECURITY RETENTION @ 2.5%** shall be retained from gross value of each bill towards security deposit. 100% of this shall be refunded on successful completion of the defect liability period.
- e. **Payment due to Variation in Prices of Materials** after receipt of tender.
There will be no Variation in Prices/Rates of any Items of work, and the prices shall remain firm during the currency of the Contract and for the extended period of Contract, if any.

6. **Delay and Non-Conformance of supplies**

- a. If the contractor fails to supply and place any or all of the goods within the period specified in the Work/ Supply Order, Institute shall without prejudice to its other remedies under the Purchase Order/Work Order deduct from the contract price, as liquidated damages a sum @ 1% per week of delay, for delay until actual delivery for reasons attributable to the vendor. The penalties will be maximum of 10% of the contract amount/awarded value.

- b. In case of extraordinary delay, the Institute reserves the right to terminate the contract without any liability to cancellation charges and encash the Performance Guarantee. The supplies would be thereafter procured from any other vendor at the Risk and Cost of the vendor for the short supplies.

7. Services during warranty period

- a. The maximum response time for maintenance complaint during warranty period (i.e. time required for contractor's maintenance engineer to report at the placing after a request call/email /telegram is made or letter is written) shall not exceed 02 days.
- b. The period for correction of defects in warranty period is 03 days.

- 8.** In case the rectification of defects is not carried out within 03 days and replacement of defective items are not provided, a penalty of sum equivalent to 5% per week of the delivered price of that defective item(s) shall be levied. This penalty is applicable up to a maximum of 4 weeks(maximum 20%). Subsequently, the rectification shall be carried out by the Institute at the risk and cost of the contractor. The cost of the repairs along with the penalty of 100% shall be recovered from the payment withheld with Institute and the balance amount, if any, will be paid to the contractor after completion of warranty obligations.

9. Substitution and Wrong Supplies

Unauthorized substitution or materials delivered in error of wrong description or quality or supplied in excess quantity or rejected goods shall be removed by the contractor at his own risk and cost.

10. Insurance, Freight and Deliveries

- a. The contractor shall make all arrangements towards safe and complete delivery at the designated locations indicated by Institute in the Purchase Order. Such responsibility on part of the contractor will include taking care of insurance, freight, state level permits, octroi, duties, green tax etc. as applicable. These shall be included in rates and no extra shall be payable on such account.
- b. The deliveries may be scheduled in parts or whole . The contractor will keep Institute informed about changes, if any, in various stages of deliveries/ placing.

Special Note

Though every care is taken while preparing this document to cover all necessary matters, specifications, general conditions, special conditions, provisions for smooth and complete execution of work, however in case of any omission in the tender/ contract document, latest correction slips of General Conditions of Contract for CPWD Works 2014 will be the reference manual but not in supersession to aforesaid conditions.
